HISTORY OF The Memory/Giving Tree *A reason for giving.*

The holiday season is a time for giving. A touching way to **honor or remember** your loved ones. The Memory/Giving Tree was created, in **1979**, by members of the Fayetteville Senior Center, in association with the Honorable George Wortley Foundation. This fundraiser was to help provide programming at a reasonable cost for our seniors. When you donate, it offsets the cost of educational, community outreach, physical and mental activities, and nutritious meals. This is a way for the community and our membership to recognize their loved ones near and far, in memorial, in honor or in recognition. As the donations increase in the months of November and December, the Memory/Giving Tree will be lit in stages of Blue and white lights. To commemorate your donation, it will be listed in the Eagle Bulletin. This is a beautiful way to celebrate the season for all.

Please join us in this time old tradition for the Village of Fayetteville and the Fayetteville Center for Active Adults.

See order form on the inside of the back page.

The Memory/Celebration of Life Tree

A COMMUNITY TRADITION

Since **1979** the pine tree in the Village of Fayetteville was a way for the community to remember those that have passed, as a tribute to their memory. In **2021**, FCAA decided to expand this tribute to include those we wish to honor or appreciate that are currently involved in our lives. Won't you please help us celebrate the holiday season by making a donation to this meaningful Community tradition? The bulbs on the tree will be lit as donations are received throughout the season. The names of the remembered/honored along with the person who donated, will be published in the Eagle Bulletin Newspaper. Your donation will help ensure continued senior services at the Fayetteville Center for Active Adults. **For more information about our center, go to www.fayctractiveadults.org**

The star atop **The Memory/Giving Tree** shines in memory of those who have departed our membership during the past year.

Poetry

A Different Experience

I cannot touch the tree I see
But I can watch the squirrels
Scamper on it and use the
Holes as hideouts.

I cannot hear the raindrops
Falling but can see the drops
Left on the windows and on
The shed roof.

I cannot feel the wind blowing
The lighter branches of the trees

But I can notice the number
Of leaves falling and accumulating
On the ground.
I am experiencing nature
From my recliner.

Salt City Auto Modelers

Remember building scale models as a kid? Well, some of us never gave up on this wonderful hobby, and that's where the Salt City Auto Modelers model car club comes in. We're a fun group of 10 or so that meet once a month for "show-n-tell", to share our scale modeling projects, and enjoy each other's company. Meetings are held at the Fayetteville Center for Active Adults on the **3rd Tuesday** of every month from **6:45 pm-9 pm**, and the next gatherings are scheduled for **Nov. 17 & Dec. 15th**. It's all FREE, and if you have any questions, please call David Best at 315-663-7045.
