Hence, if your investments are routed through a distributor please ensure that the EUID is correctly filled up in the Application Form.

XVI. BENEFICIAL OWNERSHIP DETAILS:

Under the Prevention of Money Laundering Act, 2005 ("PMLA"), all intermediaries including mutual funds are required to obtain sufficient information from their clients in order to identify and verify the persons who beneficially own or control the account. SEBI circular dated January 24, 2013 on identification of Beneficial Ownership has prescribed a uniform approach to be followed for determination of beneficial owners. A 'Beneficial owner' is defined as a natural person/s who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted, which includes persons who exercise ultimate effective control over a legal person or arrangement.

All categories of investors except individuals, company listed on a stock exchange or majority owned subsidiary of such company, are requested to provide details about beneficial ownership in the Application Forms for all their investments. The Fund reserves the right to reject applications/restrict further investments or seek additional information from investors who have not provided the requisite information on beneficial ownership. XVII. FATCA DETAILS:

The Foreign Account Tax Compliance Act is a United States (US) federal law, aimed at prevention of tax evasion by US Citizens and Residents ("US Persons") through use of offshore accounts. The FATCA provisions were included in the HIRE Act enacted by the US legislature. FATCA is designed to increase compliance by US taxpayers and is intended to bolster efforts to prevent tax evasion by the US taxpayers with offshore investments.

As per SEBI circular no. CIR/MIRSD/2/2014 dated June 30, 2014, the Government of India and the US have reached an agreement in substance on the terms of an Inter-Governmental Agreement ("IGA") to implement the FATCA provisions, which have become globally applicable from July 1, 2014. FATCA requires enhancement of due diligence processes by the Foreign Financial Institutions ("FFI") so as to enable identification of US reportable accounts.

The Fund/ Edelweiss Asset Management Limited ("the AMC") are likely to be classified as a FFI under the FATCA provisions, in which case the Fund /the AMC would be required, from time to time, to (i) undertake necessary due diligence process by collecting information/ documentary evidence of the US/non US status of the investors; (ii) disclose/report information as far as may be legally permitted about the holdings/investment returns pertaining to reportable accounts to the US Internal Revenue Service and/or such Indian authorities as may be specified under FATCA or other applicable laws and (iii) carry out such other activities as prescribed under the FATCA provisions, as amended from time to time.

FATCA due diligence will have to be directed at each investor/unit holder (including joint investors) and on being identified as a reportable person/specified US person, all the folios will be reported. Further, in case of folio with joint investors, the entire account value of investment portfolio will be attributable under each such reportable person. Investors/Unit holders would therefore be required to furnish such information to the Fund/AMC, from time to time, in order to comply with the reporting requirements stated in the IGA and or circulars/guidelines issued by SEBI/AMFI in this regard.

The impact of FATCA is relevant not only at the point of on-boarding of the investors but also throughout the life cycle of the investor account / folio with the Fund. Hence investor(s) should immediately intimate the Fund/AMC, in case of any change in the FATCA related information provided by them at the time of initial subscription.

The Fund/AMC reserves the right to reject any application or compulsorily redeem the units held directly or beneficially in case the applicant/investor fails to furnish the relevant information and/or documentation or is found to be holding units in contravention of the FATCA provisions.

Investors are advised to consult their tax advisors to understand the FATCA requirements and its implications in relation to their investment.
