Deposit is none refundable unless puppy dies or is found to have a serious defect while in sellers possession. Balance must be paid in full on or before the day of pick up. Buyer must make arrangements with seller to take possession of puppy before 9weeks of age unless otherwise agreed upon in writing. After 9 weeks there will be an added boarding fee. At 10 weeks if no pick up or shipping is arranged the seller retains full ownership and no refund will be given. Any medical expenses after 9 weeks of age will be the responsibility of the buyer.

## 5. HEALTH

Puppy will be wormed at 2 4 6 & 8 weeks of age and be up-to-date with age appropriate vaccinations. The puppy will be healthy at the time of sale. Buyer has 3 working days to have the puppy examined by a licensed veterinarian from the pick up date. Failure to do so will result in any warranties being cancelled. Seller accepts no liability for any communicable diseases after 72 hours from when the puppy leaves the possession of the seller. If the puppy does not pass a general health exam buyer agrees to notify the seller within 24 hours of the exam with a copy of the original signed license veterinary statement. Health guarantee does not cover any parasite internal or external as these are treatable. Puppy will be returned to seller at the buyers expense and examined by the sellers veterinarian. If the seller's veterinarian is in agreement with the buyer's veterinarian a full refund will be given.

## 6. SPAY/NEUTER

If purchased as pet only the buyer agrees to not use this puppy for breeding and to have the puppy spayed or neutered at the age recommended by their veterinarian

## 7. SHIPPING

All shipping costs including health certificate will be the responsibility of the buyer. The seller will not be held responsible for any death or injury to the puppy due to the negligence of the airline or live animal carrier

## 8. LIABILITY

Once the puppy leaves the possession of the seller the buyer assumes all responsibility for any medical bills. The buyer assumes full responsibility for the health temperament and appearance of the puppy after leaving the sellers possession

9. CARE

Buyer agrees to take the puppy to a licensed veterinarian within 72 hours after taking possession of the puppy. Buyer agrees to provide a lifelong home comfortable environment medical care proper grooming and nutrition for the puppy. At anytime if the buyer can no longer retain possession of the puppy the seller is to be notified and given the first option to resume ownership of the dog. Any refund will be at the discretion of the seller. The seller has the right to approve or disapprove any transfer of the puppy to a third party.

\*Any litigation will be held in Muskingum Country Ohio
