## About Us

First Nations Procurement Services Pty Ltd is a proudly Australian Indigenous-owned business that provides high-quality procurement and project solutions across the nation. We proudly serve every region, supporting various sectors including industrial, commercial, domestic construction, resources (mining), and oil & gas.

Our foundation is built on a commitment to excellence, integrity, and genuine community engagement. We believe in fostering strong, lasting relationships with our clients, partners, and suppliers while delivering tailored, cost-effective, and compliant solutions that meet their needs. Additionally, we strive to create a lasting social impact by developing pathways for Aboriginal and Torres Strait Islander people through business participation, employment, and skills development.

We are more than just a service provider; we are a trusted partner dedicated to delivering outcomes that enhance both industry performance and community prosperity.

## Our Services

We provide a comprehensive range of services tailored to meet the diverse needs of our clients:

- **Procurement & Supply Chain Solutions**  
Sourcing and supplying a wide range of products, materials, and equipment from a trusted network of suppliers, with a focus on value, reliability, and ethical sourcing.
- **Construction Support Services**  
Providing flexible resourcing solutions to address project peaks and demands, skilled labour in specialized trades, and appropriate equipment for industrial, commercial, and residential projects.
- **Resources, Oil & Gas Support**  
Delivering tailored solutions to support the mining, resources, and energy sectors—ensuring safety, compliance, and operational efficiency.
- **Logistics**  
Coordinating procurement, transport, and site delivery to ensure project deadlines and budgets are met across regional and remote locations, with a strong focus on risk management and operational efficiency.

## Why Choose Us

As a proudly Australian Indigenous-owned business, we are deeply committed to fostering Indigenous engagement and promoting economic participation. With a nationwide presence, we operate across all states and territories, including remote and regional communities, ensuring accessibility and impact where it matters most. Our extensive industry experience covers construction, mining, and energy projects, backed by a proven record of capability and reliability. We prioritize quality and safety in all aspects of our work, delivering compliant, cost-effective, and high-standard outcomes for our clients. Importantly, every project we undertake creates lasting community benefits by opening pathways for Indigenous training, employment, and business opportunities.
