From this bird's eye view, you can see that as the sun cycles through the seasons, the sequence of the signs around the zodiac does fit the hero's journey pretty well: the hero departs in the spring, crosses into a world of supernatural wonder in the summer, descends into darkness in the fall, goes through a death and rebirth around the winter solstice, and returns in the winter.

Following the natural rhythms of the earth, the zodiac's myths and metaphors connect us to
