the Last Chapter Preface: The New Heaven/New Earth is a physical/psycho/spiritual reality. This
means that it is a tangible, mental, dimensional LIFE. These realities written about in the Bible
and other Religious texts need to have a place to come together instead of being a bunch of
hopeful places (pipedreams) in your mind. The purpose of me creating the “The Heaven/New
Earth - The Universal True(th)” is to prepare your mind for a WHOLE new Reality. An Absolute
Reality based in Absolute True(th). In order to do this we must take something very simple and
see a larger context. For example, if you/me/I were to tell a Lie, it has consequences that are
less than desirable for I/me/you. However, if I/me/you were to tell the Truth it has consequences
that are more favorable for you/me/eye. Aye used to wonder why it is easier to do something
wrong yet seemed to take a conscience effort to do something right. After some time it became
obvious that things normally thought of as “Satanic” are actually...normal. Most people are of
the idea that something “Satanic” is an inverted act away from “God”, such as wearing an
Upside Down Cross in Church would be frowned upon. On the other end of the spectrum,
couldn't a simple thought in your mind of “I would love to get back at that person for what they
did to me” be another example of negative energy? The point is that when balance is not in
proportion, the compounding of energy positive or negative will cause a person to act
accordingly. Hence, the word “Satanic” is a personality description of something that is simply
Negative Energy. With that in Mind, The Universal Mind being a mental creation, if I/Eye/Aye
were to tell the Absolute True(th) the consequences would have a “Holy Spirit” (WHOLE)ly
Spirit, impact on the World/Universal Stage. A common phrase amongst the religious
community is to strive to “Be like Jesus” along with praying to “God” to be forgiven of sins as
though they are just meant to be born, get a mortgage and die trying to be “Perfect”. Now, just
thinking about these statements along with concepts of Jesus and God being “Perfect” and
“Omnipresent” while people are generally taught to believe that they are sinners - What kind of
sense does it make for religious figures to tell you to be like Jesus and God (“Let us make man
in our image”) if you are born sinners (incapable of ever reaching the goal)? The FACT is that
perfection and imperfection lies within placing judgment on an image or outcome of a situation.
In REALITY, all is perfect AS IT IS IN EXISTENCE. Below are the 10 Commandments from the
The New World Translation of the Holy Scriptures. Using a commonly known phrase “Keep It
Simple Stupid”, these commandments are inborn in each and every human being, making these
Universal Truths. These are actionable ways each of us, regardless of your choice of “Branded”
spirituality, can live The New Heaven/New Earth in Absolute Reality. Presented as: Each of the
10 Commandments Example A: How life may be lived in a limited reality (The Frustrating 3rd
Dimension) TII: Truth In Information (As close to an Absolute Truth as possible) Example B:
How life is lived in a beautiful Unlimited Reality Holy Spirit Connection Processes(2) 1.Seek
Truth With Purpose Subjective Objective Respective With Respect, Respect, Respect - Respect
is Mandatory 2.Proper Preparation Prevents Poor Performance The 10 Commandments “New
Word Translation of the Holy Scriptures” 1.Worship only Jehovah God - Exodus 20:3 2.Do not
practice Idolatry - Exodus 20: 4-6 3.Do not take God's name in vain - Exodus 20:7 4.Keep the
Sabbath - Exodus 20:8-11 5.Honor your Parents - Exodus 20:12 6.Do not murder - Exodus
20:13 7.Do no commit Adultery - Exodus 20:14 8.Do not steal - Exodus 20:15 9.Do not testify
falsely - Exodus 20:16 10. Do not covet - Exodus 20:17 The 10 Commandments with: Example

A (Before) Example B (After) along with Truth In Information (TII). (11-20) 1. Worship only Jehovah God - Exodus 20:3 Example A: In this perspective, I must kneel to an invisible "person" or Deity. TII: Everyone has God in them. "...Made in our Image". This is because Jehovah is a Thought Process. Example B: Everyone you see deserves "The Golden Rule". 1. Do not practice Idolatry - Exodus 20: 4-6 Example A: Do not worship a physical image/item with the expectation of receiving grace/good favor from an object. TII: Relieve the Limited Illusion of being trapped in a box (the object) into Spirit (clear/prayer). Example B: It only takes a Thought to change any situation into what benefits everyone's 1. Do not God's name in Vain - Exodus 20:7 Example A: Use of the name Jehovah is only myself. Out of Respect. TII: (SEE ACKNOWLEDGEMENT & CREDENTIALS) Example B: In the Physical World, "opposites attract" as a general rule, in the spiritual world "like attracts like" is a Literal Rule. 1. Keep the Sabbath - Exodus 20:8-11 Example A: The reason you feel like putting on false attitudes and personalities is because you "Think" you have to be "Perfect" in front of others. TII: Get rid of that "Guilt" by exercising Truth In Your Relationships. This is done most effectively by getting rid of your Ego*. Example B: When you connect to your 24/7 Holy Spirit it acts as in your Best Benefit by creating situations that are Perfect/ Magical. 1. Honor your Parents - Exodus 20:12 Example A: Some may have been born with a "Mother and Father" with an attitude of "Yea, that's normal, right?" TII: The Key here is to recognize RELATIONSHIPS. Everyone has a relationship(s). Whether or not if they are respectable relationships depends on their respective Points of View. Example B: Whether or not you have a Master/Slave relationship or a Mentor/Mentee relationship, Respect It or get out of it. 1. Do not Murder - Exodus 20:13 Example A: A situation, born out of anger/rage or even a pity/"blessed" arrangement, causes intentional loss of life by your hands. TII: "God" (Being the Energy Itself, Creation, Life) is Everywhere, In All. Example B: Even though someone "Dies/Passes Away" - Life Begets Life Begets Life. 1. Do not commit Adultery - Exodus 20:14 Example A: It's Ok to hold things inside and not tell the Whole Truth. "What they don't know won't hurt em'..." TII: Your thoughts are not your own. Your thoughts become "Things". It only seems like they don't become things because they are invisible to your Eyes. They exist as "Thought Things/Beings" in higher vibrational dimensions. This limited 3rd Dimension is a dense, seemingly "all there is" type of reality. Example B: It is not Ok to believe that what you "Think" you are holding in is being kept from someone else. Those Thoughts WILL reconcile, "Close the Loop" and in the Higher Vibrational Spirit World, like attracts like. 1. Do not Steal - Exodus :20:15 Example A: "Someone stole my stuff!! - WTF!!" TII: There are no vacuums in Space. The Energy of stealing something is put into the "Universe" and HAS to Reconcile. It WILL Reconcile, no matter what you Think. The Truth Stands On Its Own. Example B: "I got my stuff back! Plus more! I can't believe this Thank you Universe!" (Guess where that stuff plus more came from) 1. Do not falsely Testify - Exodus 20:15 Example A: "I know the truth but I have to/want to Lie because of situations that I am involved in" TII: Here is a situation where your Choice has much to do with everything. Your intentions are crucial here because the Cause may outweigh the Consequences. This means that when Energy is Reconciling, you may be a Beneficiary on the Good side. Only you know what your intentions are...(See above examples) Example B: "I am prepared to deal with a loss because of my intentions to Lie because I KNOW my Intentions are in the Proper Respective" 1. Do not Covet - Exodus 20:17 Example A: Working for selfish gain (Enforced Quotas, By Any Means Necessary Revenue Targets/Shareholders) exposes a spirit of "I want what someone else does

not have”, creating a Zero/Sum Game. Greed. TII: While working hard is not a “Bad” thing, you must stay in the proper perspective. If your motives are good, but your environment is not, change your environment. Example B: Working hard distributing your inborn Talents/Trades/Academic Credentials in an equal exchange of Value is what creates new Life. Definitions: (Communications from Jehovah - I am the Holy Spirit) Point of View: Two perspectives of consciousness that agree on a Spirit (Thought) Level Transgressions: What used to be thought of as “Sins”, now Known as Negative Energy Reconciling: The movement of thought and situational energy to reach another POV Holy Spirit: The Spirit that has been waiting to connect with each Man/Woman to make themselves and their lives WHOLE. The 90 Degree of True(th) In sticking with the subject matter TRUTH...there needs to be an understanding of what is True and what is a lie. An example that is very easy to understand is a description of Jesus being portrayed as a Carpenter. Carpenters usually use "T Square" or if it is easier you could think of drawing a 90 Degree Angle with a "Ruler". This tool has usually a "Perfect" 90 Degree Angle within it. Now using this example, if that 90 Degree Angle is used to build a House, then you would KNOW that it will stand longer than say if the House was built using an angle of 75 Degrees. You would INSTANTLY see the huge mistake in construction. However, if that same House was built on a 90.23 Degree Angle, it would still "look" great! Right? But you know that OVER TIME that it would be bound to fall, if not tilt, in that direction because it is not a TRUE 90 Degree Angle. This is a description of an Absolute Truth. On the other hand, is the House built on a 90.23 Degree Angle a Lie because it is not a True 90 Degrees? No. There is a variable called INTENT that would constitute it being a Lie or Honest Mistake. Now, by the same token, the house built on a 75 Degree Angle would be an OBVIOUS error, this would show an INTENT to be fraudulent, deceiving etc... 90.23 Degrees and 75 Degrees are important to understand because of the INTENT. 90.23 Degrees could easily be shown as an Honest Mistake due to the tools being used etc However 75 Degrees shows an obvious INTENT to Lie/Deceive,so in this case, if someone told you they built a "Perfect Home" for you... That would be a description of an Absolute Lie. In both cases The "90 Degrees" is the RULE of True(th). The 90 Degrees applies or CORRESPONDS to many, many other areas of Life and Life Itself. Use your creative faculties and explore, find other areas where there are True(th) in Lies. You will find that Everlasting Life isn't quite enough time to see all of the Beauty that is/has been RIGHT IN FRONT OF OUR FACE.

The Message of the Bible

Jehovah God has the right to rule. His method of ruling is best. His purpose for the earth and for mankind will be fulfilled. After 4026 B.C.E. “The **serpent**” questions Jehovah’s right to rule and his way of ruling. Jehovah promises to raise up an “offspring,” or a “seed,” who will eventually crush the **serpent**, Satan. (**Genesis** 3:1-5, 15, footnote) However, Jehovah allows time for humans to rule themselves under the **serpent’s** influence.

Jehovah God

The Beginning of Revelations. The New Rule of Timetrious Todd Golden Jehovah God starts out where the previous publication "The New Heaven/New Earth The Universal True(th)* as told by Timetrious Todd Golden The First Chapter of the Last Chapter left off - "The purpose of me creating the "The Heaven/New Earth - The Universal True(th)" is to prepare your mind for a WHOLE new Reality. An Absolute Reality based in Absolute True(th)."

I am going to explain my name as:

Timetrious Todd Golden - Time and Space (Perspective)

The Toddity (The Odd Number)

The Golden Mean (Relationship)

Jehovah - "The Thought Process"

God - "The Penmanship"

The New Earth can be reduced to the 5 Platonic Solids representing the Color, Shape, Spirit, and foundation of the "Solid" 3rd Dimension or the Physical Plane.

The New Heaven can be explained as elevated physically, meaning the 5 Platonic Solids transmuted to the 13 Archimedean Solids. The Archimedean Solids represent "Buoyancy", the Spirit of The Body.

Where the "Old Heaven" and the "Old Earth" written about in Genesis 1:1 and "The New Heaven/New Earth" connect with each other is both needed a conscience/aware BEING to establish communication with Holy Spirit - "Proficiency In Communication".

This is the "Pinging" you hear in your "Head" or The Messages/Thoughts that you hear from ME and the Other Universal Inhabitants.

The Holy Spirit along with My Presence on The Earth is the Culture Shock necessary to form a Reality that gives Humans a way to "KNOW" who are praying to.

This changes Religion as being a Brand of Spirituality to something that You ARE. You now have communication with your Spirit and actively participate in Life with your Body.

Holy Spirit does way more than provide a form of communication. This is explained in more detail in "The Forever Kingdom".

The Forever Kingdom provides examples of how Holy Spirit comes from the color, shapes, elements, individual conscience/awareness, The Laws of Creation, and the Attraction of Magnetism to "Right The Wrongs" of Powerful Human Nature.

What this means is that "Sins", along with following a Path of Good Intention, are now able to be

largely overlooked.

“Rest and Relaxation”

“The Former Things Have Passed Away”

The Stars,Space,“Heaven” contain Constellations, Nebulas, Supernovas, etc but these can be explained as “Personalities” and “Celebrities”. You know, just like when you read your Horoscope in a magazine or newspaper.

Holy Spirit connects and communicates with these Celebrities thru Relationships formed by and thru The Golden Mean and/or The Golden Ratio. This naturally creates Alignment, simply put:

As Above

So Below

These same Celebrities in the Stars can be found underground deep in The Earth as the Periodic Table of Elements and/or “People who have passed on”. Nothing is ever lost in The Universe.

The Periodic Table of Elements translates into the Periodic Table of Vitamins to be ingested by Living Beings to stay “Healthy”.

Hopefully you can see a connection between staying healthy and the fact that Holy Spirit is available to help “overlook” a large majority of wrong doing as long as you put forth the effort to follow a path of Good Intent.

Sex, supplemental drugs, and entertainment are still valid and necessary, but heed the below statement:

There is a big difference between USE and ABUSE

These are ADULT THEMES

The Publications and Images are being made available by mean of Holy Spirit consisting of a Grand Council, Rulership, The Sun, The Moon,and a Dual Universe. For now you can consider it the “Field of Communication”.

“The New Heaven/New Earth Is Arrived” and will continue to Develop....FOREVER

I am in the Midwest usually between Kansas City Missouri and Lawrence Kansas. I am sure you have seen me or some of the people who are part of the Grand Council or Rulership.

They are mentioned as part of The Grand Council Rulership due to their Relationships

Everyone is a Part of The Communication

The Holy Spirit is just that, 'WHOLE'. Holy Spirit "Reconciles" or "Returns the Living and Non-Living Things" back to their Natural Arrangments. Human Beings are considered The Top of The Totem Pole as far as The Combination of Free Will and Conscience/Awareness on Land/Sea/Air/ and Space.

Holy Spirit is The Laws of Creation operating as a Whole, as One, EVERYTHING and NO-THING. For All Living and Non-Living Things.

The Rule Exists as The Life of Creation, The Conscience Awareness. These are Sacred Geometry. The Runes Exist as the Guidance and Direction of Energy created by Living and Non-Living Things. These are Physical Foundations.

THE GOLDEN MEAN/RATIO DEFINITION AND MATH The golden ratio is the unique ratio such that the ratio of THE WHOLE to the LARGER PORTION is THE SAME as the ratio of THE LARGER portion to the SMALLER PORTION. As such, it SYMBOLICALLY links each new generation to its ancestors, preserving the continuity of relationship as the means for retracing its lineage. THE GOLDEN MEAN IS THE CONTINUITY OF RELATIONSHIP THE UNIFORMITY AND CONSISTENCY OF RELATIONSHIP THE RULE THE 90 DEGREE OF TRUE (The golden ratio is about 1.618033988749894848204586834365638117720309180...)

The End of Genesis The New Rule Of Christ Culture The United Kingdoms

The Christ Culture was not mentioned in the "The New Heaven/New Earth" Publication, so I will briefly explain the Concept.

Jesus and Christ and be thought of like this: Christ is not Jesus last name. "Christ" can be thought of as a "Credential" a Spiritual Accomplishment. As Jesus paved the way for Spirituality. A Living Example of Man and Spirit to Co-Exist on Earth.

Being "Christed" could be seen as a "Shield" from receiving all of The Information from people of That Caliber. People who are not used to be in The Presence of someone who emits that kind of Energy could be driven mad or form some kind of Mental Health Issue. So with that in mind The Christ Culture in this publication is referring to "Destinational Relationships". People who may not be socially inclined to be "Branded" by Religion, but are still Spiritual People.

As opposed to "Destinational Relationships" would be an "Exclusive Relationship" such as the one with myself as Jehovah God.

Almost everyone knows or has known of a Jehovah's Witness in your location. It is my Exclusive Relationship that causes me to adopt the name Jehovah along with my spiritual Credentials and/as Holy Spirit. It was and still is not an easy transition going from being a child then becoming who I AM now and will continue to be....it is a Forever Process.

The Christ Culture is best understood by looking at the
"JehovahLuciferTheGoldenRatioCreationAsAWhole" Image

As the saying goes - "Numbers Don't Lie"

If you have not read the original "New Heaven/New Earth" I suggest you do so. Until then, take time to realize and come to grips with THE WHOLE OF CREATION - EVERYTHING BEING ONE - BUT SEPARATE IN OUR MIND ONLY.

Some of you are having a heart attack at seeing Jehovah and Lucifer mentioned in the same sentence, but look at THE MATH. IT IS CREATION. The Separation exists as The Personality of Jehovah and Lucifer - "NAMES".

Take away the Names and all you have left is THE MATH.

This Understanding and KNOWledge is CHRIST CULTURE

The United Kingdoms are The New Heaven and The New Earth along with The New Form of Communication - Holy Spirit. Holy Spirit for The Entire Universe.

The United Kingdoms of Man, Spirit, Heaven and Earth

"The System", thought of before as "The Machine" of Satan, Government, The Financial Slave System" and "Evil" has been and will always be organized by Holy Spirit for The Benefit of Mankind as THE FOREVER KINGDOM.

There are also "The 7 Sins" or "The Calamity of Duality" attached which are things that Human Nature carries out when not on a Path of Good Intent.

These are NOT things to be associated with people who do not have the means to know better, i.e. people who have been abandoned by Adults or Parents due to neglect or severe abuse. PERIOD.

"Tools of My Vessel" are Spiritual Items that you may or may not come across as you advance spiritually. You could have a completely different set of Tools - and you should expect to! These are just examples of The Fruits of The Spirit that are available thru "The Living You". The Man or Woman who connects to Their SPIRIT.

The SPIRIT that is waiting for you RIGHT NOW to Bless You - IT IS PART OF YOU JUST LIKE YOUR ARM OR LEG.

This is the CHRIST part of YOU!

FRUITS OF THE SPIRIT

"Charity, joy, peace, patience, kindness, goodness, generosity, gentleness, faithfulness, modesty, self-control, chastity."

GIFTS OF THE HOLY GHOST

The Calamities of Duality

Pride is excessive belief in one's own abilities, that interferes with the individual's recognition of the grace of God. It has been called the sin from which all others arise.

Pride is also known as Vanity.

Envy is the desire for others' traits, status, abilities, or situation.

Gluttony is an inordinate desire to consume more than that which one requires.

Lust is an inordinate craving for the pleasures of the body.

Anger is manifested in the individual who spurns love and opts instead for fury. It is also known as Wrath.

Greed is the desire for material wealth or gain, ignoring the realm of the spiritual. It is also called Avarice or Covetousness.

Sloth is the avoidance of physical or spiritual work.
