

Join Us! Become a Friend of the Cody Country Art League

You don't have to be an artist to become a *Friend of the Cody Country Art League*. You only have to have a love of the arts and understand the importance of creating an environment for the promotion, appreciation and education of visual arts.

Since 1964, the Cody Country Art League (CCAL) has been dedicated to the promotion of art and its artists. Nationally renowned artists such as Harry Jackson, James Bama and George D. Smith are all Charter members of the Cody Country Art League.

The CCAL has a new Board of Directors, SallyOgletree, Graham Jackson, Lynne Lampe, Jody Horvath, Lee Niziolek, Jim Mossman, Cindy Katz and Angie Payne. Their primary objectives are as follows:

- To provide art education to all ages within the community
- To promote and sell original art created by artist members
- To provide quality events and exhibits to encourage community involvement in the visual arts

We are asking you to please join us in our efforts to connect our community and promote a new generation of artists that need your support.

Become a *Friend of the Cody Country Art League* and receive the following benefits: Discounts on all art classes, personal invitations to artist receptions, special events and sales and the CCAL newsletter to keep you up to date on activities and classes being offered
