

Seniors' Climate Witness Update #4 — September 6

The Caravan Leaves in Two Days!

After months of planning, **Seniors' Climate Witness** is hitting the road! On Tuesday September 8, our Western Climate Caravan leaves Victoria and begins its journey across Canada, gathering people, photos and stories along the way before we converge on Ottawa for a week of public witness and nonviolent action.

Our message: **Fund Our Future, Not New Pipelines.**

Here are five ways you can help.

1. FOLLOW THE JOURNEY

As the Caravan crosses Canada, we'll be sharing livestreamed events, photos, stories and updates from the road.

Follow us on Facebook, Instagram and YouTube—and invite your friends to follow us too.

4. SEND A PHOTO OR STORY WITH US TO OTTAWA

Can't come to Ottawa? Who or what are you trying to protect? Send them with us.

We're gathering photos and short stories about people, other living beings, communities and places in danger from climate change— we will ask Canada's leaders to protect them now. Later is too late.

It could be your own health, or your child or grandchild, someone affected by wildfire or extreme heat, an animal, forest, river, coastline or community you love.

We will carry these with us to Ottawa and may read or display them during our public witness and nonviolent actions and deliver copies to Members of Parliament.

Bring a physical copy to a Caravan gathering, or **upload your photo or story** [here](#).

We will **not** provide these to the media or post them on social media.

5. HELP GET US TO OTTAWA. ❤️

Every dollar helps support the Climate Caravans and bring people to Ottawa for our public witness and nonviolent actions.
