BIOGRAPHY (COMPLETE)

Listed in January 2020 as one of the *2019 Discovered Artists* by ADISQ and being amongst the top 100 Canadian finalists of CBC Music's *Searchlight* in February 2020, the artist that many describe as "Refreshing revelation", wows the crowd with her unique vibe, charisma and energy!

Vegas, New York, Dubai, Asia, Hawaii, Australia, Morocco, Mexico... the list goes on for the Quebec singer-songwriter who has been touring for over 16 years with various international showbands. Also appearing on the *Just Dance 4* video game by Ubi Soft which sold millions of copies, with the song *Hot for me - AKA* and collaborating on the 2018 summer hit *Conmigo* by DJ Kleancut with more than 100,000 plays on various platforms.

Eventually, the established career of a performer no longer fulfills the heart of the artist who has been repressing an urgent need to create for far too long already. She then trades in the stability and the traveling to actively take control and shift her musical career in gear. In November 2019, more than two years of studies and hard work later, the album (EP) *Version 2.0* is released, revealing a new empowered Isabelle, genuine and more determined than ever!

A solid independent production led by musical director, music co-writer and bass player Alexandre Lapointe from one of Canada's funkier bands *The Brooks*. The EP is showcasing some of the most prolific musicians of Montreal such as Gautier Marinof, recording and mix (Simple Plan, Céline Dion, Corey Hart, Marc Dupré), Pierre-Luc Rioux on guitar (David Guetta, Lady Gaga, Sia), Daniel Thouin on keyboards (Yann Perreau, Fred Fortin, Mara Tremblay), Maxime Bellavance on drums (Beat Market, Child, Ariane Moffat) and Alan Prater as vocal coach (The Brooks, Valaire, Michael Jackson).

Version 2.0 unveils a Pop-Groovy sound (reminiscent of Bruno Mars, Prince, Daft Punk, Jamiroquai, Michael Jackson...), catchy melodies supported by powerful lyrics on social topics such as domestic violence, self-acceptance, social pressure, women empowerment and much more.

Only a few months after its release, the album stands out with 3 songs *2.0*, *Bipolar Love* and *Self-Talk Session* in Niky Radio's top 10 (iHeart radio division) for an impressive 23 weeks.

French version of the album *Version 2.0* release :
September 18th 2020

INTERVIEW & ARTICLE SEATTLE'S MUSIC BLOG

Izabelle is an artist from Montreal whose music can be described as inspiring, engaging, emotional, and thought-provoking. Izabelle music has this ability to make you feel something and also has this way of making you look deep into yourself and find what's either bothering you or what you love about yourself all at that same time.

Malgré une carrière bien établie elle avait un besoin viscéral de créer qui restait toujours inassouvi. Elle quitte donc les rangs des grosses productions de spectacles, déterminée à créer un univers à son image et débute de façon indépendante sans passer par un label ni par les populaires télé-réalités. // Un amalgame rafraîchissant unissant un son "Pop-Groovy" qui a du chien, à des mélodies accrocheuses.
