NEW RITUAL
LIFE 2026

Scent of Smyrna

OUR RITUAL

Scent of Smyrna combines the ancient beauty rituals of the Mediterranean with the elegant and conscious care approach of the modern age, transforming the peace of olive branches, the elegance of mythology and the freshness of the Aegean wind into transparent and high-performance formulas that combine the purity of botanical essences with scientific rigor; thus, it subtly brings a sustainable and refined experience that respects the nature of the skin and the senses into daily care rituals.
