MEET US

A LITTLE BIT ABOUT US AS A COUPLE

We are **Jordan** and **Colleen**. We were good friends in high school and reunited later in life and fell in love.

Colleen is outgoing and upbeat and loves to do anything outdoors and active.

Jordan is patient and hard-working and grew up playing hockey and golf.

We married in 2013 and have two daughters, ages seven and four. We both work from home, which allows a great work/life balance and ensures we keep family as our priority.

During the week you'll find us playing tennis or basketball or going for a bike ride. Some of our **favorite** traditions include Friday night pizza and movie night!

THIS IS OUR HOME SWEET HOME

Last year we moved into a new home in a gated community that is filled with young families and beautiful wildlife! We often see deer, bunnies, eagles, and owls. There is a fenced-in park, tennis and basketball courts, and two golf courses. We love playing outdoors with friends, playing sports, biking through the neighborhood, or swimming in the pool.

ITS A BEAUTIFUL DAY IN THE NEIGHBORHOOD

We live on a little street in the back of the community that is quiet with little traffic and has the best neighbors. The home has four bedrooms, five baths, a pool, and a swing set for the kids to enjoy. We are often in the front yard playing kickball or soccer or throwing the football with the neighbor kids. We are in an excellent school district with A-rated schools just outside of our neighborhood.

WE'VE ALWAYS FELT ADOPTION WOULD BE A PART OF OUR JOURNEY TOGETHER.

Colleen has three siblings; her sister was adopted, and she always says her sister is the best gift her parents could have given her. We've always known we wanted a large family. In 2019 we had a couple of miscarriages, and the more praying and soul-searching we did, the more we felt it was a sign from God that it was time for us to adopt! We are thrilled to share this joyous journey with our daughters, as we know they'll be so excited to love this new addition to our family.

WE CAN'T WAIT TO
WELCOME THIS BABY
WITH OPEN ARMS AND
OPEN HEARTS.

We both grew up spending lots of time with extended family, especially during the holiday, and it's important to us to instill the value of quality time to our children. We are very lucky to have such a supportive and loving family.

COLLEENS FAMILY

I grew up in Minnesota, where both of my parents grew up and came from very large families. This made family functions so fun, because I have over 40 first cousins and everyone is so fun and rowdy together! Both of my brothers have children and only live a couple of hours away, so we see them often so the kids can spend time together. My sister and niece are up in Minnesota, so we travel there often to visit them and the extended family, doing lake houses in the summer or snowtubing in the winter.

JORDAN'S FAMILY

I grew up in Canada and come from a long line of hockey players. We visit my Canadian family and enjoy playing out on their homemade ice rinks in the backyard. My parents, brother, and sister live a few hours away, so we meet them for birthdays and holidays, or meet halfway for the weekend at a vacation spot in between. Seeing the cousins all play together brings us joy, and we make sure we keep this quality family time a priority.

WE PROMISE...

Our promise to you is that we will love your baby **unconditionally**.

We will strive to provide them with a **strong foundation** at home, a good education, and the ability to **explore** their interests and passions.

Your baby will have two amazing sisters who will **cover them with kisses, make them laugh, and love them** from the minute they arrive.

Holidays will be filled with extended family, fun-loving cousins, family traditions, laughter, and **joy**.

We promise to raise your baby with the deepest understanding of **love, kindness, and acceptance**.

We promise to **guide** your child as they go through the ups and downs of life that we all experience.

We promise to give your baby **strength and courage** to be who they were meant to be.

And finally, we promise to make sure they know how deeply loved they are **by you and by us**.

THROUGHOUT THIS PROCESS, WE PRAY FOR YOUR BABY, BUT MOST IMPORTANTLY, WE PRAY THAT YOU FIND PEACE IN SELECTING THE RIGHT FAMILY FOR THEM.

WARMLY,
Jordan and Colleen
