Having been Examined by our veterinarian prior to leaving, it is the best of our knowledge, this puppy is free from any health defects and is the best pet quality we have to offer. There is no guarantee as to adult size, temperament, ability to breed or show. We provide family pets, not breeding stock.

All puppies are examined by a licensed veterinarian twice here and are issued a State of Missouri Health Certificate before they travel and are guaranteed to be in good health at the time of sale. This guarantee does not include Coccidia, Kennel Cough, or Giardia, which are common in young puppies that are shipped and usually flared up by stress, we treat 7 days preventative prior to leaving us to eliminate problems.

This puppy has been seen by our licensed veterinarian twice before leaving us. Puppies come with a Health certificate issued by our veterinarian deeming them healthy for travel to new homes. Puppies are guaranteed to be free of any poor health risk defects for 7 days, and congenital defects/hereditary disorders, for

1 (one) Year from the date of birth, which would be life threatening.

New pet owners are required to have pets examined by a licensed veterinarian for next vaccination date on vaccination record. (10-12 weeks of age depending on puppy, see puppy documents for date)

If, in the opinion of the pet owner's veterinarian, the puppy has any health defects that make it a poor health risk, the new owner must notify and make arrangements to return the puppy within 7 days from the Veterinarian exam date at the purchaser's expense.

The puppy is not guaranteed against hypoglycemia, which is also called low blood sugar or sugar shock. Any existing conditions listed on puppy's health certificate will not be covered by this guarantee.

Guarantee does not cover what is to be considered normal of the breed purchased, such as but not limited to; Cherry eye, entropion, Patella Luxation (Knee) or skin allergies, hip dysphasia, elongated soft palates, stenotic nares (collapsed nostrils), Undescended testicles.

There are certain disorders that may be caused by environmental factors, for example: Allergies, thyroid dysfunction, demodectic mange, and other autoimmune disorders that are similarly not covered by this guarantee. Likewise, certain ailments that are normal to most puppies or caused by seasonal conditions such as but not limited to, the common cold, are not covered by this guarantee and are considered normal puppy ailments.

Veterinarian bills are not covered in this guarantee. All veterinary expenses will be the responsibility of the Buyer.

If there is a health risk issue found, the breeder will honor the guarantee by replacing with a puppy of equal or greater value or by repairing the health defect, at the breeder's discretion. Qualified Veterinarian Bills or Repairs will not exceed the Puppy Purchase Price less shipping.

If returned, the puppy must be returned with all papers as well as a signed statement from the vet on the vet's letterhead, stating the date of examination and the alleged health risks, before any action will be taken.

We must be notified immediately if your puppy is found to have any life-threatening congenital defect. With the provision of 2 unassociated veterinary reports, the buyer will be given the option of a replacement puppy when one of the same or greater quality becomes available.

All veterinary bills are the responsibility of the buyer.

In the event of death of the puppy, the buyer must provide the seller a letter stating cause of death from the attending veterinarian along with a copy of an autopsy report. If cause of death is found to be due to a congenital medical condition, a replacement puppy will be issued with no cash refund.

We have done everything possible to produce a healthy, sound puppy in regards to diet, exercise, socialization and vet care.

Our puppies are out of Health Tested and OFA certified parents to ensure healthy offspring. Puppies must be given follow-up shots in order to have full immunity and also dewormed regularly. The Seller will not be responsible for ailments resulting from obesity, second hand smoke, injury, malnutrition, neglect, abuse, dehydration, starvation, stress or lack of proper vet care including regular vaccinations.

**All deposits are nonrefundable.**

Transportation is arranged through third party carriers; frequently there are delays for numerous reasons including weather, logistics, mechanical failure or other unforeseen events. We are not responsible or liable for any delays, inconvenience or financial loss, nor will we issue a refund due to shipping delays without assessing the usual cancellation fee. All sales are final. Venue and jurisdiction for litigation arising out of or related to Marti Acres Puppies shall lie exclusively in Barton County, Missouri.
