ELIMINATE 100% OF YOUR CREDIT CARD PROCESSING FEES, TURNING THOUSANDS FROM EXPENSE TO PROFIT.

0% PROCESSING RATE • \$0 TRANSACTION FEES • \$0 ANNUAL FEES • \$0 EARLY TERMINATION FEES, MONTH TO MONTH RISK FREE • \$19.95 FLAT FEE PER MONTH

In the last 5 years, the fastest growing pricing model in America is Dual Pricing. Millions of businesses have already chosen to eliminate 100% of their credit card processing fees.

This practice has been used by Gas stations for years and now due to the Durbin Amendment all business types can benefit from it.

Data shows that 90% of merchants will stay with the Cash Discount program because they did not lose customers but experience ZERO processing fees on their bill.

HOW DOES IT WORK? On each transaction your customer can choose to pay with Card or Cash. If they chose to pay with a card they pay a higher Non Cash Price covering your costs to process cards.

If they choose to pay with Cash they will receive the lower discounted Cash Price.

CUSTOMER BENEFIT - Due to inflation, Instead of raising their prices to the customer on everything we now have a price for Cash and a price for Credit. Paying with Cash does provide an opportunity to save.

BUSINESS BENEFIT – The new dual pricing program will eliminate 100% for their credit processing expenses leaving more money to invest back into the business.

90 DAY SATISFACTION GUARANTEE – If your not 100% pleased with our Dual Pricing Program, we will switch you back to Traditional processing.

HAPPY CUSTOMERS – Over 174,000 Happy Customers and 39 Billion processed Annually.
