FUNCTIONSMITH

THE COMPANY

At the turn of the 21st century, in the year 2000, a group of forward thinking individuals gathered and decided to create "*functional furniture with a quality of a goldsmith*", to cater to the burgeoning corporate market. To best embody this philosophy, they took the first and the last words and combined it to form one single word and FUNCTIONSMITH was born.

Mission&Vision

FUNCTIONSMITH is geared to become as one of the leaders in the industry by *providing the highest quality products, services and cost effective solutions delivered on time*. We have fully upgraded our systems and extensively devoted our efforts in training our technical and production personnel to meet global standards. These would also guaranty the utmost efficiency and streamlined operations that would save our clients a lot of time and money.
