## Talent apartment

Talent, the backbone of the country,  
The guides and weather vanes that people are moving  
forward, I have been working hard without  
improving people's lives and work.

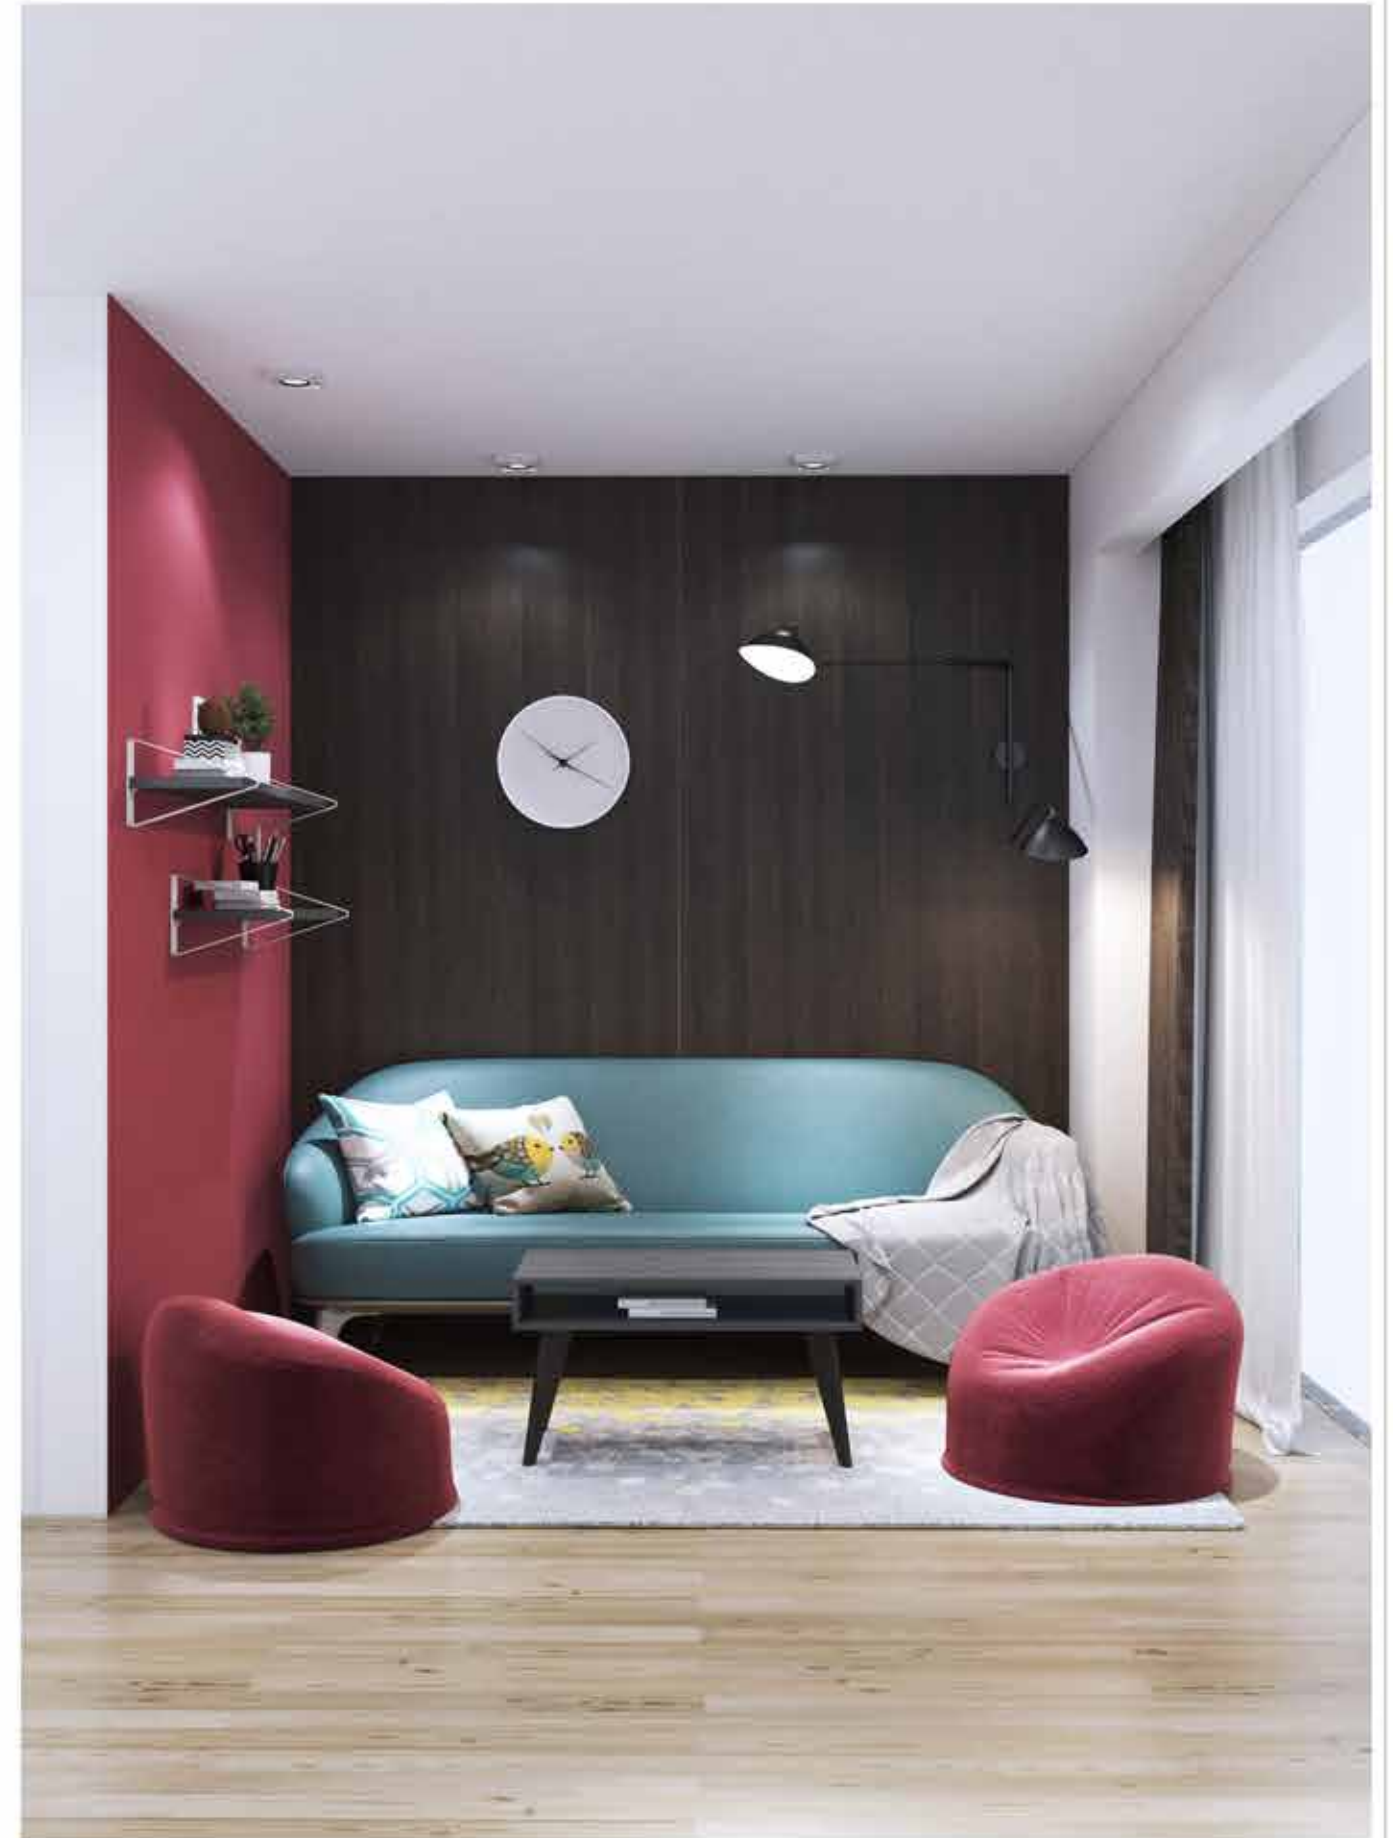

If the heart has a genius

Where are the blue sky and white clouds

Where is the pure land of one party

The family is here

SENSE OF BELONGING

## Elite apartment

The backbone of the "elite" and "white-collar" society,  
They have a strong fighting power and they are  
under tremendous pressure. But people who are  
unyielding and busy can always see them.  
They should enjoy the ease and  
comfort of work outside.

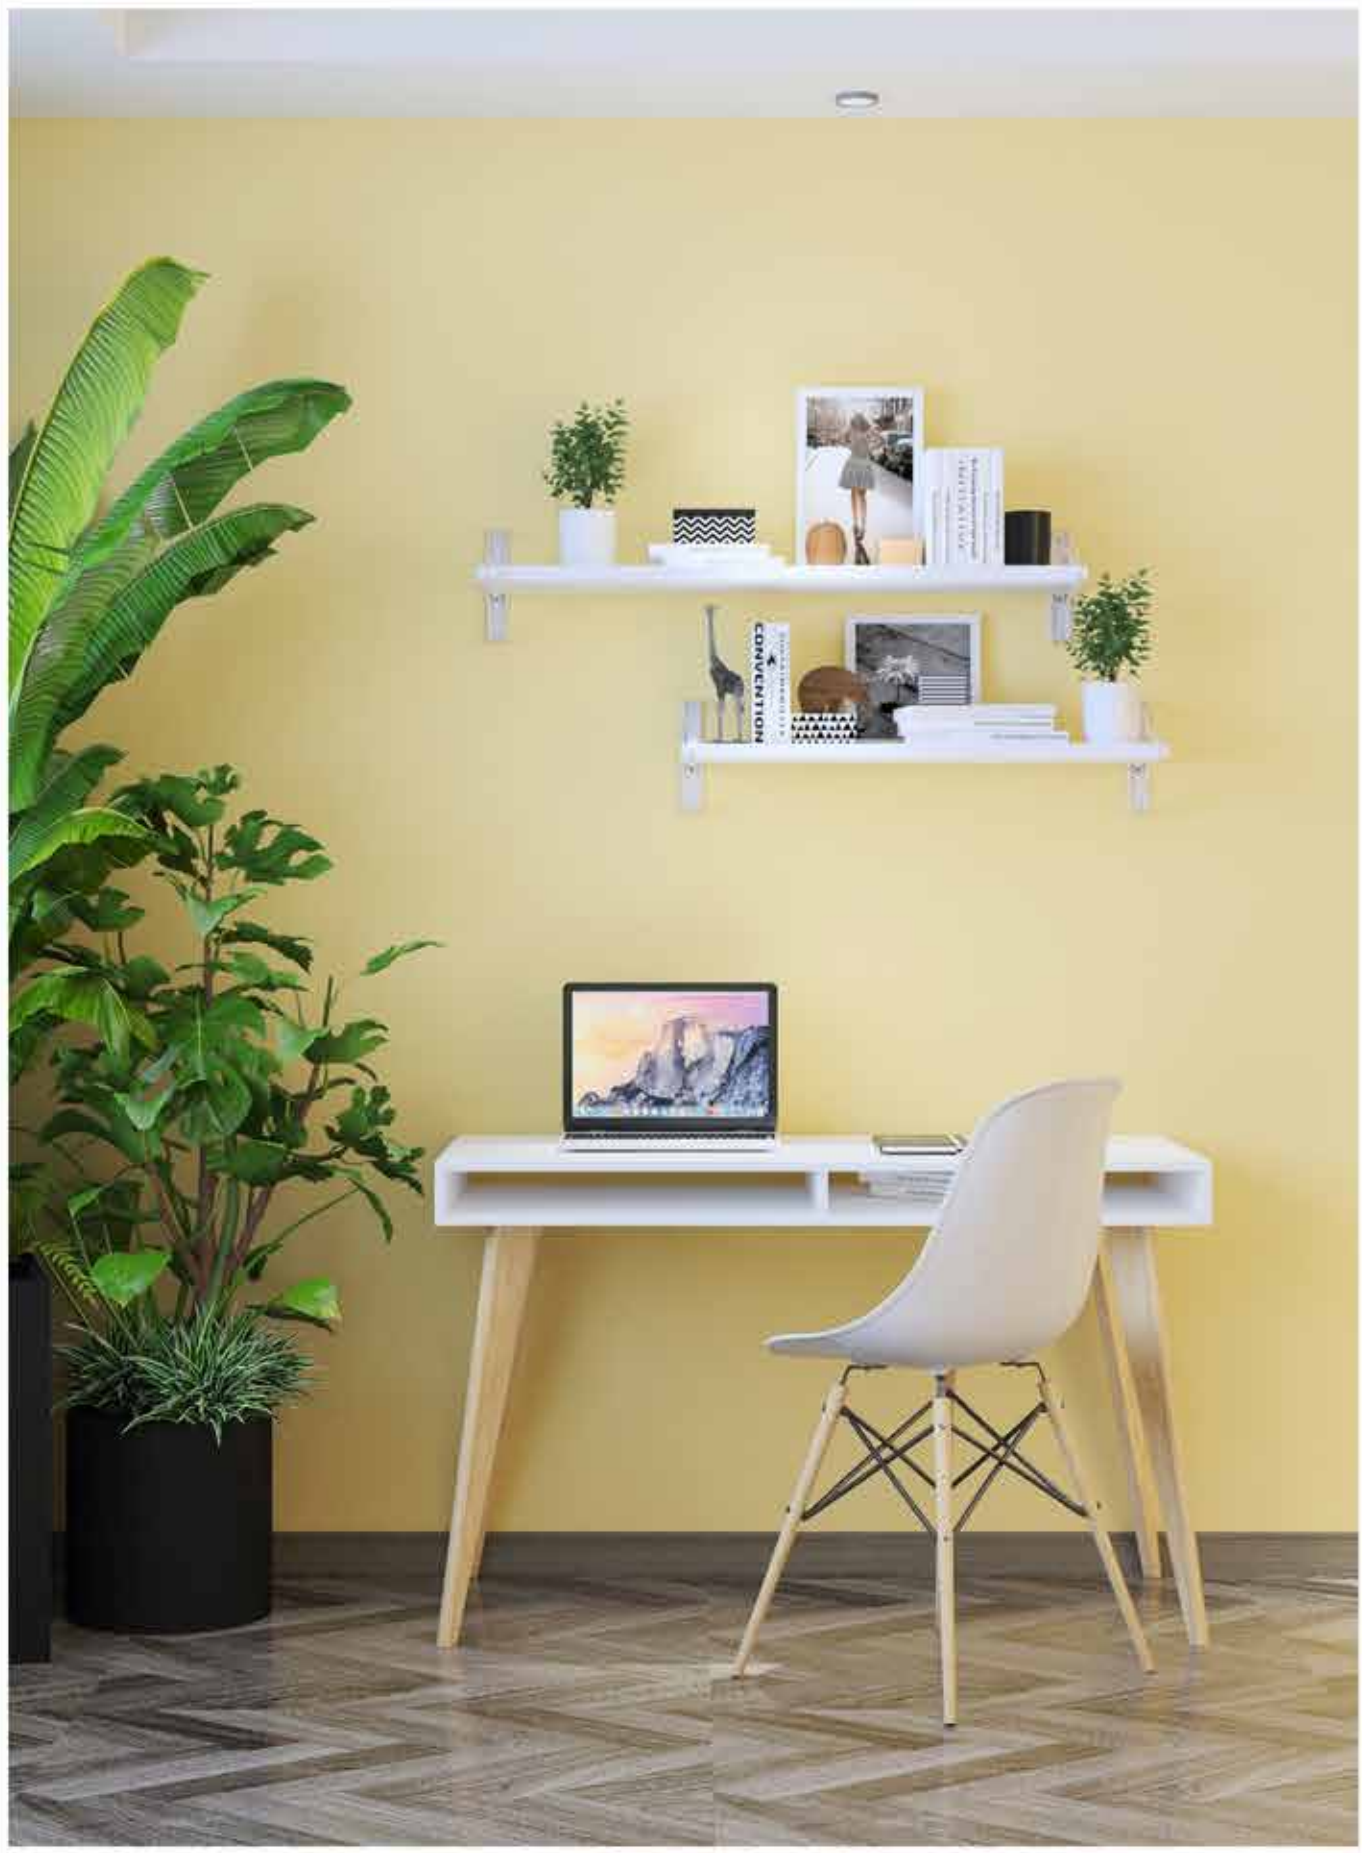

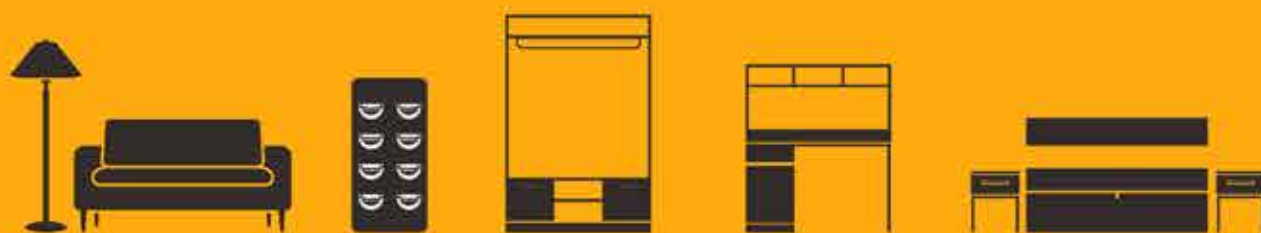

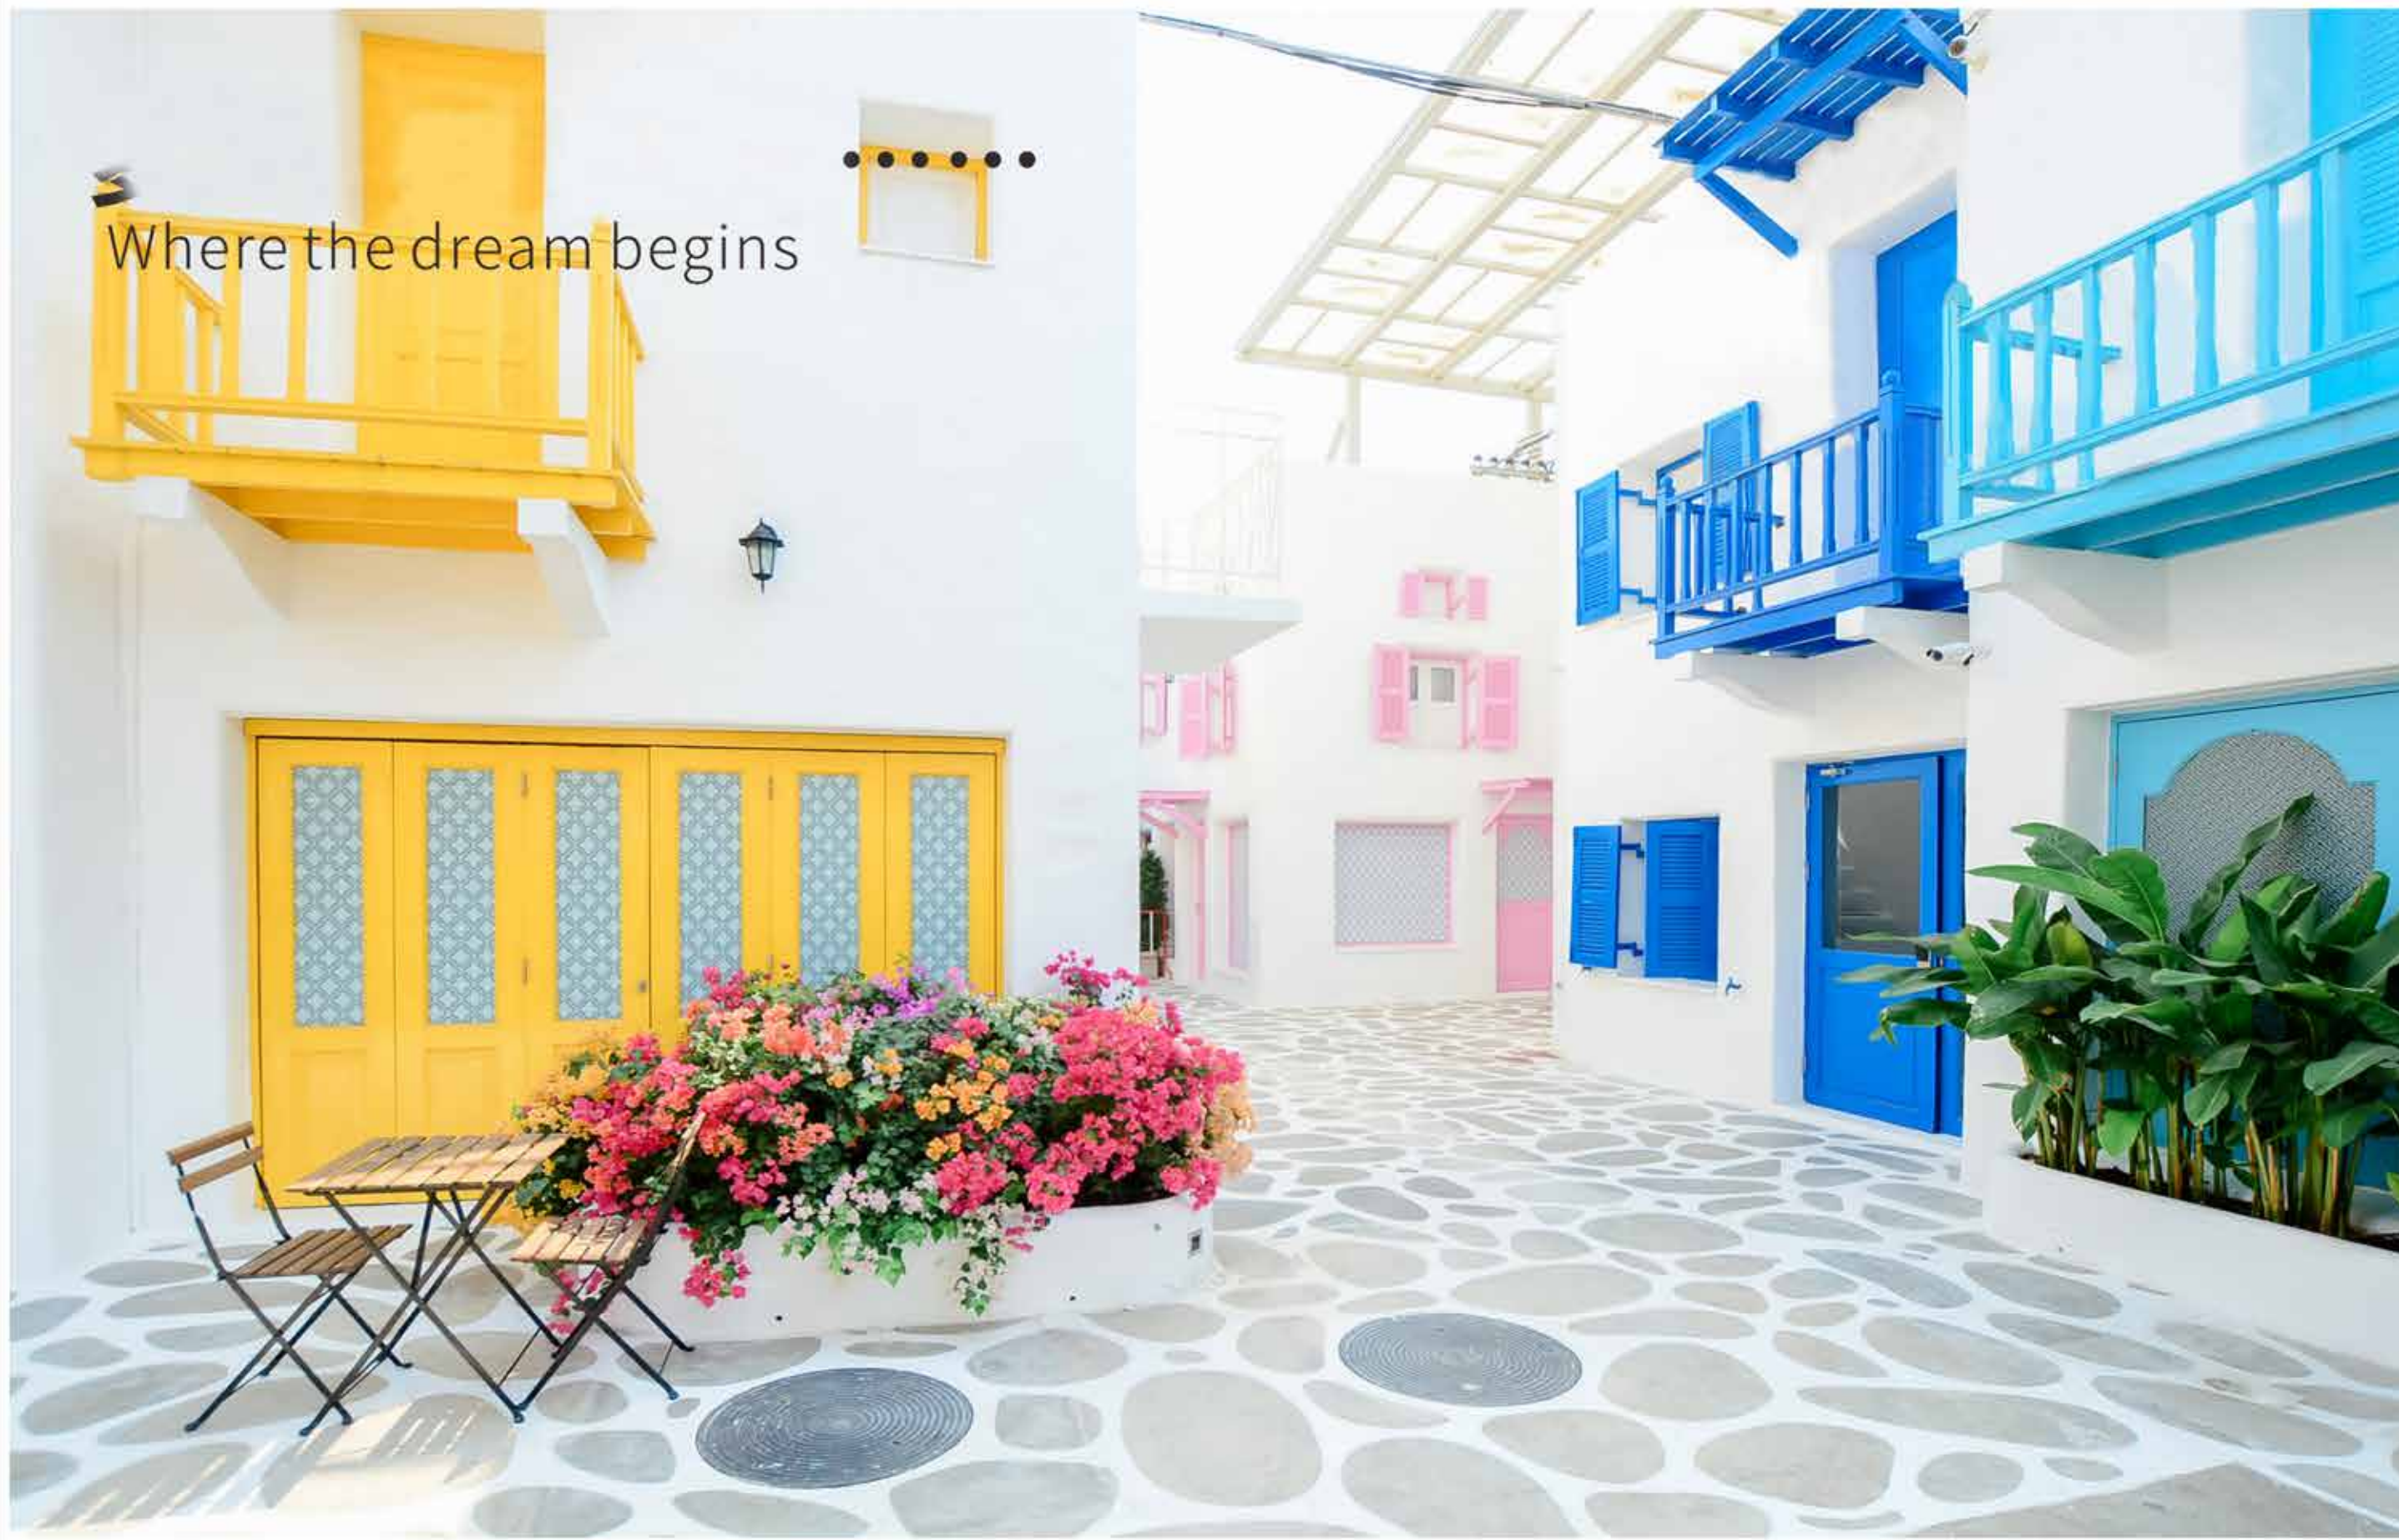

## Youth apartment

"Youth" is a pioneer of innovation,  
a practitioner of entrepreneurship,  
They inherit the excellent conduct and experience  
of their predecessors.  
For the continuous advancement of society,  
it is filled with fresh blood.

Where the dream begins

Chasing dreams, letting go of self

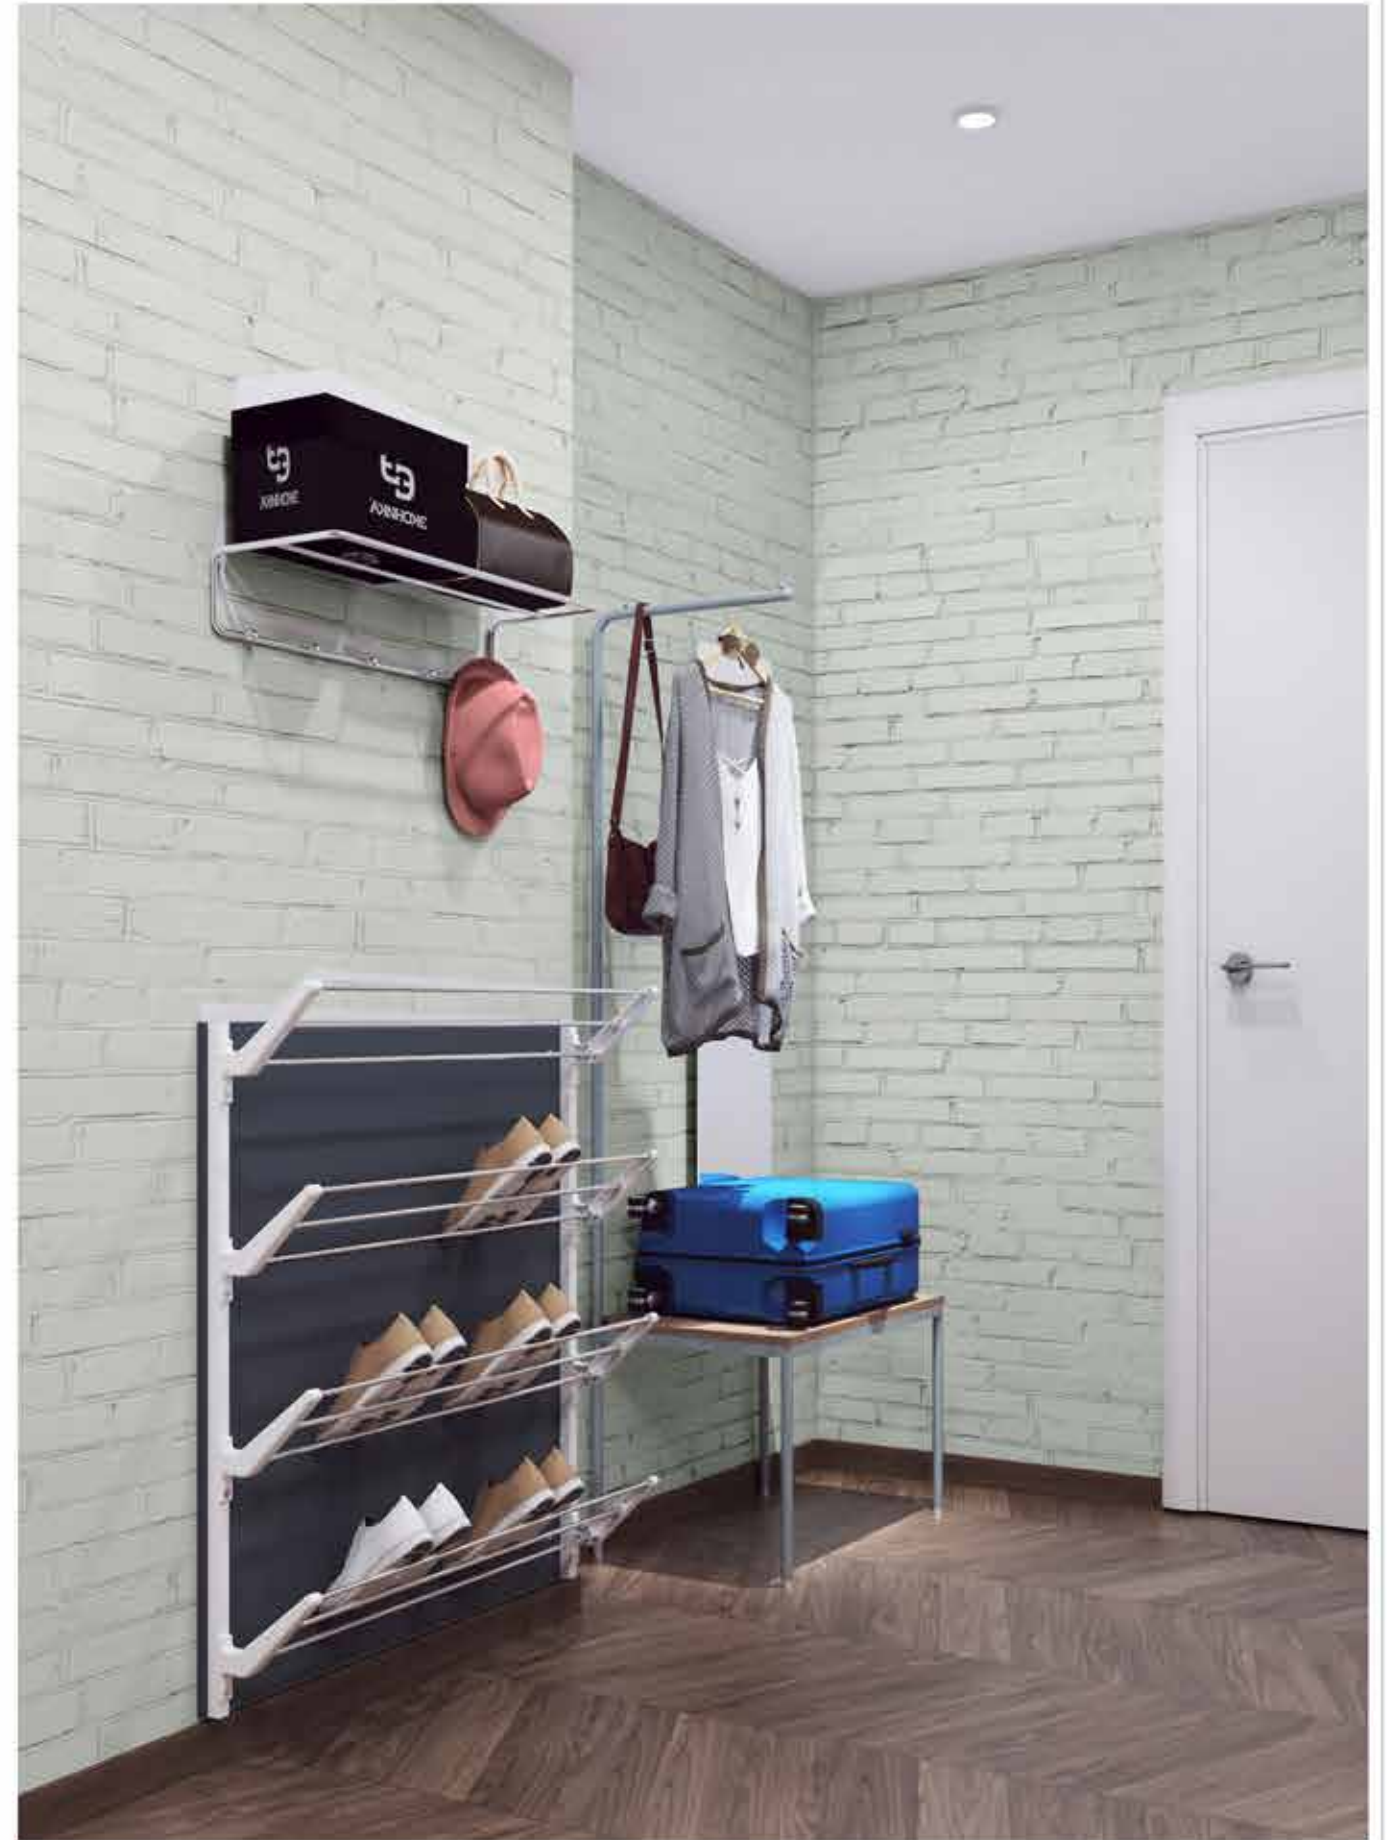

## Students apartment

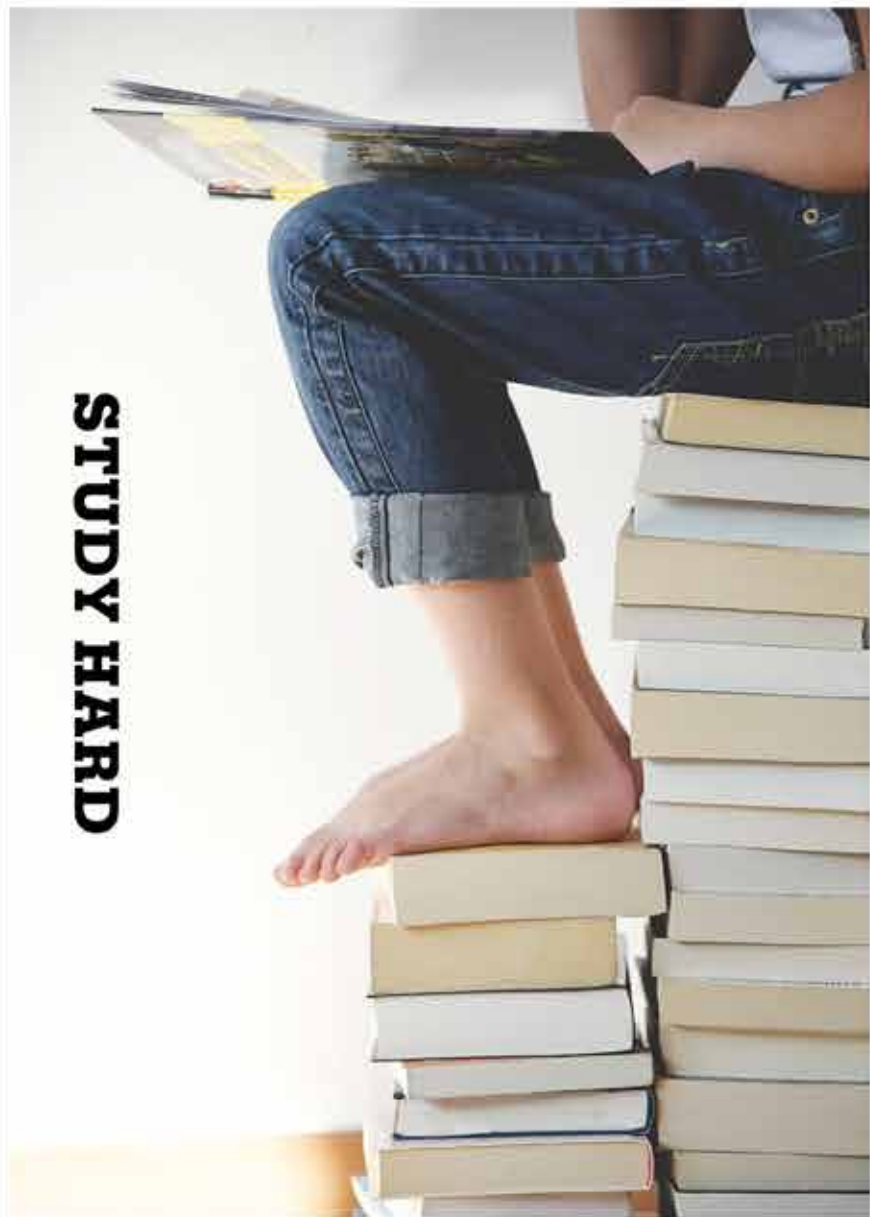

The young is strong, the country is strong,  
Juvenile wisdom is national wisdom,  
The young rich are rich,  
The juvenile independence is  
independent of the country.  
Freedom of the juvenile is free,  
The progress of the youth is progressing,  
They are the future of the country  
and the seeds of development.

**STUDY HARD**

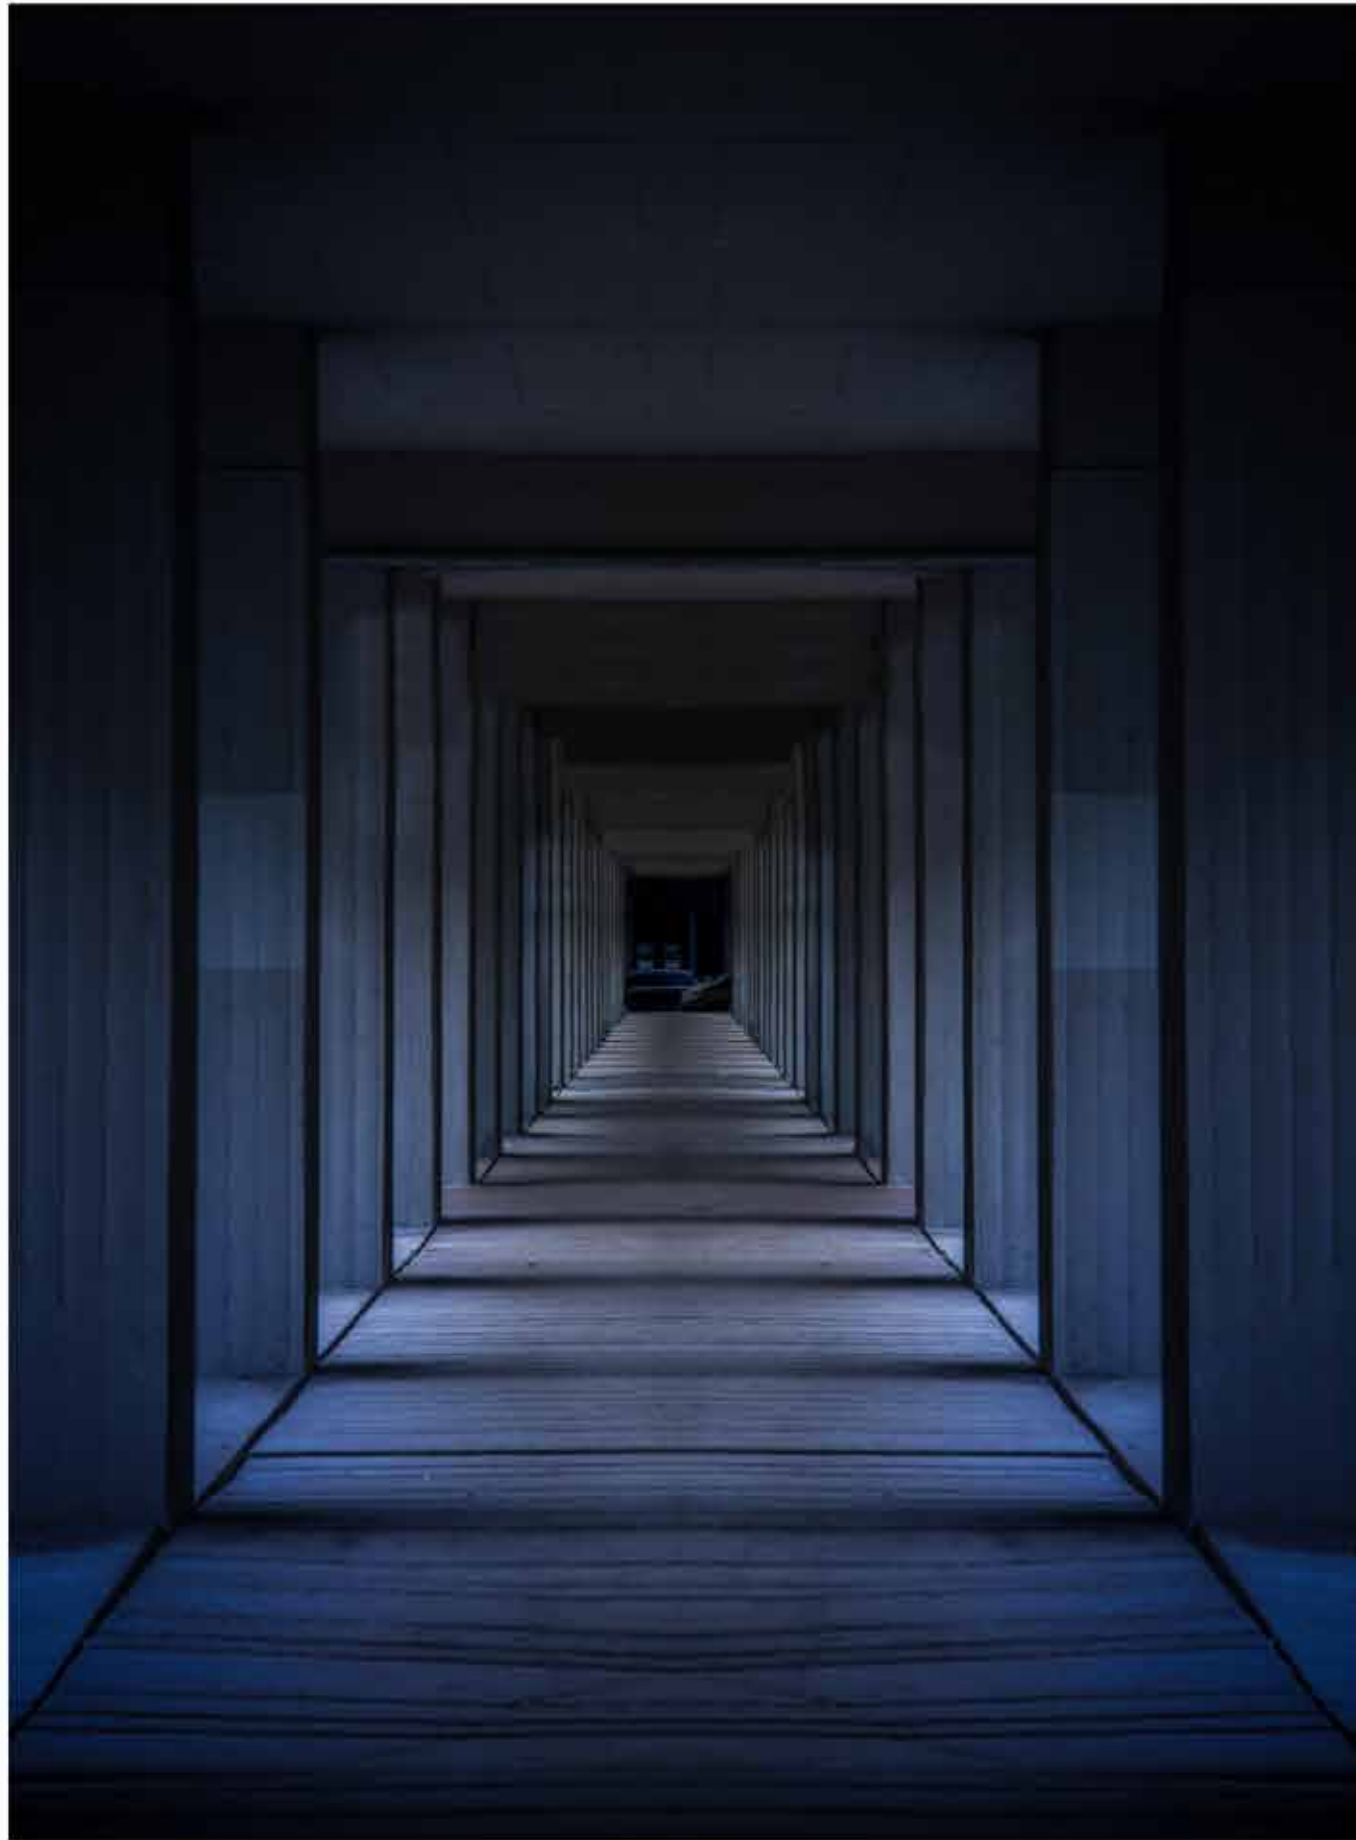

## Staff apartment

"Staff", "employee",  
they are the cornerstone of the country,  
They are always at the forefront,  
Unity, hard work, practical work, pragmatic,  
Established the most basic guarantee for us.

*Walk with you, think back to the  
common ideals we have had;  
break up with you and take  
advantage of the revelry of our reunion.*
