The power
and beauty of space

LANDER

Lander collection is inspired by war horses
Agile, vigorous, full of strength, with a unique aesthetic
Unique horseshoe shape table foot, full of support
Complement again with lightsome mesa design
Fully create the vision of strength and softness

Knight Returned

In addition, we are presenting a new selection of fabrics and leather. We have kept the fabrics that have been working well for us in the past but we are also introducing manyManager spaceIn addition, we are nting a new selection of fabrics and leather. We have kept the fabrics that have been working well for us in the past but we are also introducing many .Manager space

Simplicity and compactness are not only the theme of the conference, but also the theme of the conference space. The style of LANDER conference table and the style of director table are in the same line. Although the shape is simple, it has the strength of muscles and bones.

777

The acme of simplicity

CHEER

The workplace is a game.
Simplify the complex,
to the extreme, into a school, more likely to win.
The CHEER series is inspired
by the board game.
Embedded structure, modular combination
Between the inch,
all show modern office minimalist style.

Color Classification

Blue Cheer

Act like
a gentleman

Blue represents calm and introverted
A blue that has a higher grayscale
More profound and advanced sense
At the same time bring a retro atmosphere
Make the space more quiet and clear

75° Between
strength and beauty

Cheer series director adopts the classic 75° degree oblique foot design, full of tension, its own style, at the same time for the office to provide more space for the knee, there is tension, comfortable and comfortable.

Make The Space
Has Fashionable
Idiosyncratic More
From Details,
Share More Space
Aesthetics
With You

77
777

Like a clock, The master table of chess presents a different aesthetic feeling.
Asymmetric modeling at both ends of the table. Make the space more fashionable.
From details, share more space aesthetics with you.

Color Classification

Green Cheer

Green bean is
the symbol
of vitality and hope

Green bean is the color of nature
To satisfy our desire for vigor and vitality
It's hopeful, it's refreshing
It is our connection with nature and the world

Color Classification

Oak Cheer

Full of warm
and comfortable
Sicilian oak

In addition, we are
presenting a new selection of
fabrics and leather. We have
kept the fabrics that have
been working well for us in
the past but we are also
introducing many

Mobile office
from the 'thin' start

The advent of the Internet era makes mobile office possible. Information exchange and work discussion in different corners of the earth. Cheer series mobile office provides a more concise and efficient office space, the work of high efficiency from the office environment "thin" start.

Color Classification

White Cheer

Classic
and elegant
jasmine white

White is a classic color
It is also the most elegant color in the world
In French furniture, it's often used
Pure, basic, versatile and clean
Extensive use
With a strong aura and presence

Customized office space. Individualization has become the trend of office environment construction. Different industry properties and different work formats make us have different requirements for the privacy and storage functions of office. We make full use of mobile cabinets, functional beams and other office accessories to create an exclusive office space for individuals.

Cheer at the same time to provide small negotiations and conference series, unique shape of the round table, lines more fluid, more comfortable experience, waist table Angle makes the space full of smart, unique.

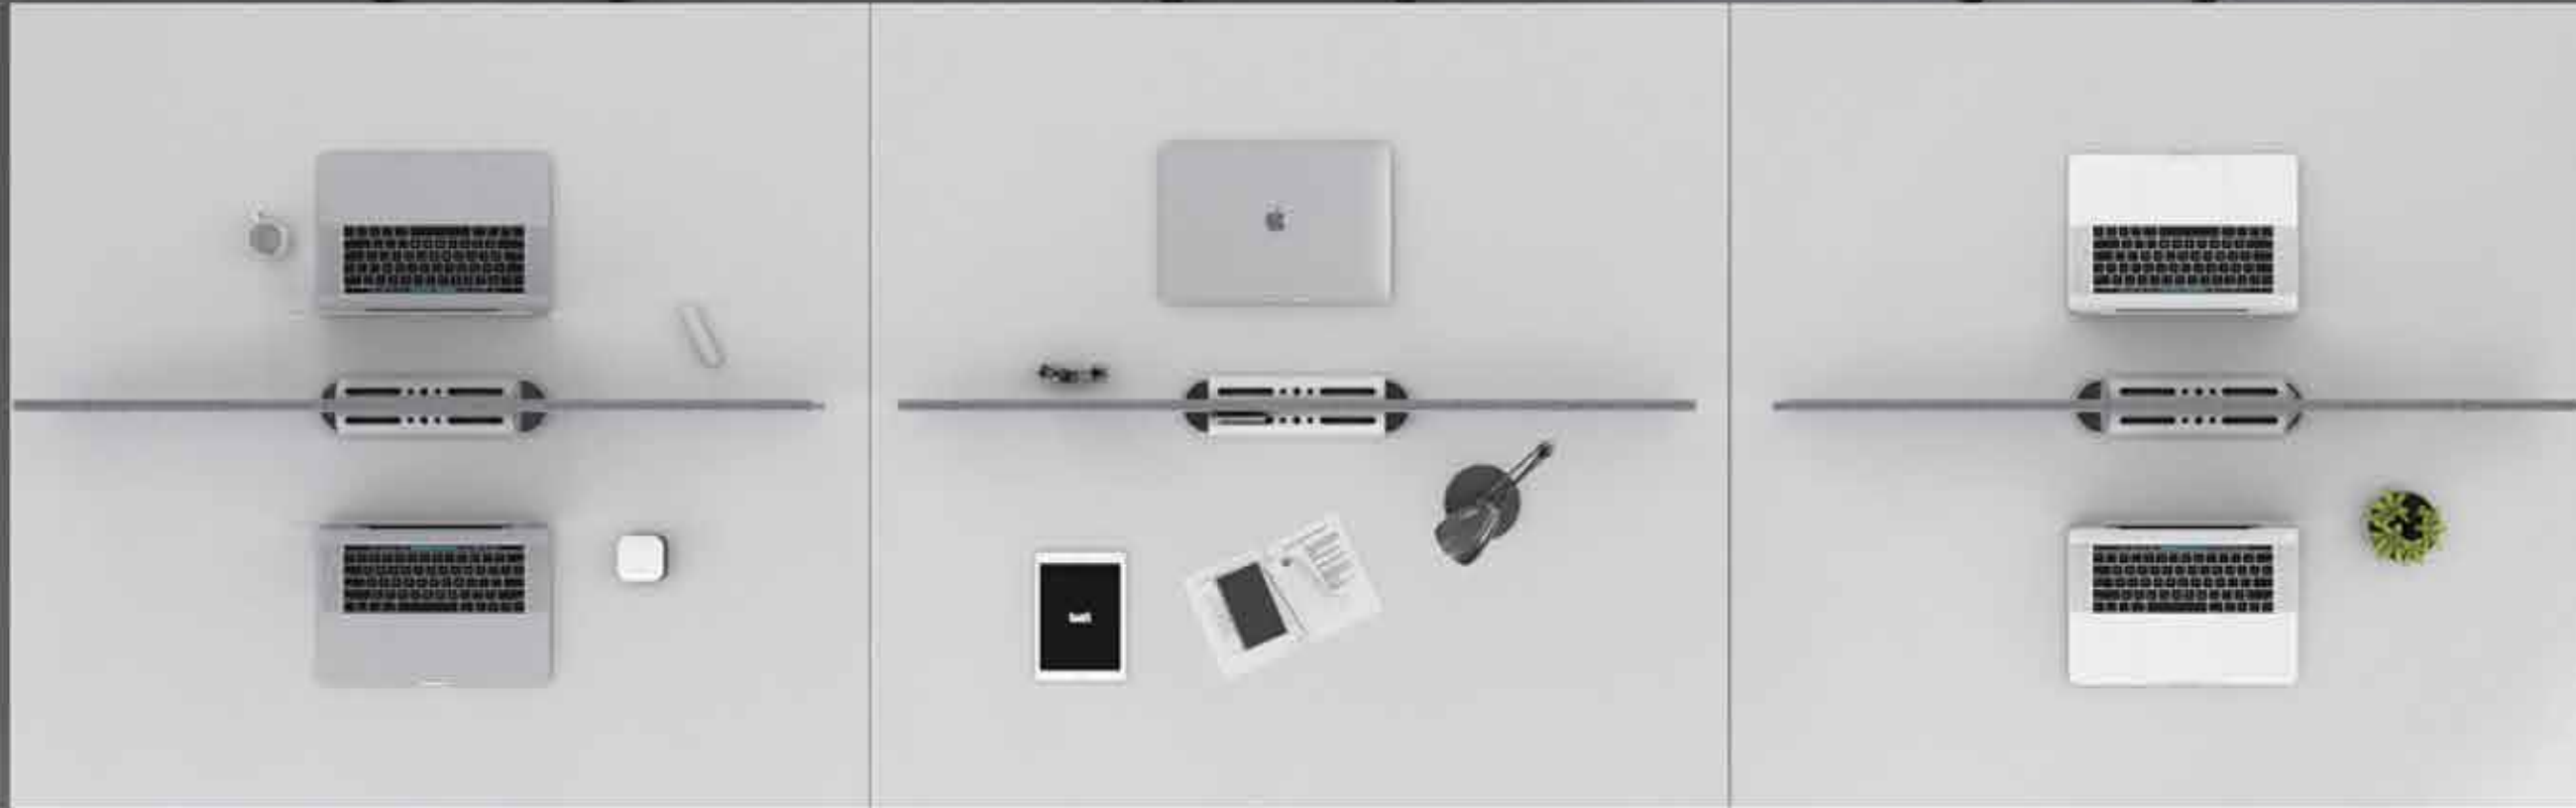

Small space
Big energy

WHITE

A private studio?
A new media creative team?
A cultural media company?
Small white series, in small size,
Flexible combination,
They are loved by the new
generation in the workplace.

YOUR^o ACCOMPANY

YOU CAN
STRETCH
IT EITHER WAY

Healthy
office equipment

U-PPER

U-PPER is a subversion of the traditional office.
It is also a challenge to the traditional office concept.
Mobile office is not a new phenomenon.
Standing office has become the new health fashion.
Sometimes it's not just the body that's liberated.
It's a modern idea.

U-pper
Series

U-PPER, with a trapezoidal lower foot, is swung into the main position. Easily launch desktop up and down with one click. Easily adjust your sitting or standing posture according to your height. Make the office more follow one's inclinations, relaxed and healthy.

77

Inspired
by the peacock

CHOY

How to create a better sharing space -
Public space, it is a clever space
Openness, comfort, sharing and
communication are the main themes
The semi-enclosed structure makes
the CHOY space both inclusive and private
Bouncing colour, comfortable material,
fashionable and clever modelling
It provides more reasons
to stay in the Shared space

There is no better office experience than being in nature. Healthier air, quieter surroundings. Clever and interesting modelling, comfortable and healthy material, stress at random have send sit stool or sofa, let negotiation, communication, office become relaxed and interesting.
