Cathy to look into Edmonton Elks fundraising

Discussion about Oil Kings returns after 50/50 sales were dropped. Remaining voucher sales need to be completed to ensure maximum returns. Team to work towards encouraging participants for table sales, especially participants who haven't already done any.

Dream Bigger Grip bag prize ideas: Lip balm, lip gloss, Gatorade minis as ideas for prizes, Croc gibbit, hair ties, water bottle straw covers, water bottle stickers, claw clips. 75 grip bags max for the entire event. 25 'released' per day.

Dream Bigger Concession ideas: Veggie bag sales were appreciated, however fewer individual bags should be prepared, also considering the lower enrolment of athletes. No chili for this year. Nut free baked goods should be offered - muffins, loaf, cookies. Taco in a bag and hot dogs for hot food options, veggie ground round taco meat kept warm, and small Daiya cheese package for vegetarians/vegans. No granola bars due to low sales.

New menu signs required.

Shift scheduling will be determined once Dreams releases event volunteering schedule.

Dream Bigger roses: dark blue wooden roses
