TOYS FOR KIDS

Who are we?

Jefferson County Toys for Kids is a non-profit organization that has served Jefferson County for over 30 years. Toys for Kids provides toys to children in need at Christmas time.

Each child registered is able to receive one toy at an average cost of \$35-40 dollars and a stocking stuffer at an average cost of \$5-\$10. In addition, we give each family a baking mix and cocoa for a Christmas experience. Any extra small items donated are dispersed among the families. Each year our organization is able to help hundreds of families. Our goal is to continue and exceed the previous year, so more families can benefit from our service.

Requirements

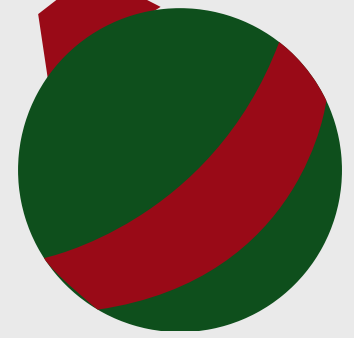

To register for the giveaway, the child's custodial parent of legal guardian must register in person at one of the registration events and bring the following items:

- Parent or Guardian's photo ID
- Proof of residency in Jefferson County (Can include ID with correct address)
- Documentation to confirm custody or guardianship.

Possible Documents

Any documentation that shows custody or guardianship of the child.

- DHS or Link paperwork
- Report card with both names
- Medical documents with both names
- Birth certificate
- Adoption or guardianship papers
- DCFS placement papers
- TFK referral from school a Jefferson County School

Annual Giveaway

The toy giveaway day is typically a Saturday morning, in early December. Each year we have to find a donated space for our giveaway location, so it is ever changing. Our location is updated on our Facebook page once we are able to finalize it.

Dates and times for registrations and giveaway day will be posted on our Facebook page.
