PRESIDENT'S MESSAGE

July 1, 2026

Dear Brothers and Sisters,

I hope that everyone is doing well.

June was a very busy month for our lodge. Bingo, pasta, Craft Market and rentals are all doing well. All our functions are run by volunteers and any amount of time that you can contribute will be greatly appreciated. And the nice thing is no experience is required. We do on the job training! If you are interested in volunteering please let me know.

Pasta Dinner night is continuing to do well. By using social media and word of mouth it seems that our lodge is the place to go to on Wednesday nights and enjoy a great meal at a very reasonable price. Our guests also enjoy playing music bingo, karaoke and dancing. And we have now added line dancing lessons right after pasta. The cost is five dollars at the door or three dollars if you purchase a pasta dinner. You can have something to drink from our bar, meet new friends and have a fantastic time. I would like to encourage all our members that have not attended pasta night for a while to please come and have dinner with us. We have so much to offer our members and guests. Now that summer is here there is no longer a worry about driving in the dark. You can enjoy dinner, music bingo, dancing, karaoke and now line dancing all before the sun goes down.

The Grand Lodge of Florida had their Tri-Annual meeting at our lodge during the weekend of Friday June 26th and Saturday June 27th. This was a great honor and privilege for our lodge to be asked to host this event. A great time was had by all. Chef Randy and all our fantastic kitchen volunteers really made our lodge shine. As Joe Cappello, our State Trustee said, "Almost like spending the day at Nonna's house". From the time they arrived in the morning until the time our guests left for home there was always food on the table. Our volunteers made sure that our guests had everything that they could possibly want, and more. Every guest was treated with respect and courtesy. During the meeting each lodge president is asked to give a report on how well their lodge is doing. During my presentation I spoke about how

well our pasta night is doing, and that it is because of the hard work and dedication of our volunteers. I told them that the same volunteers that worked during pasta were here helping during their event. The President of the Grand Lodge asked me if I would introduce them. When I introduced our volunteers the entire Grand Lodge council and all the lodge presidents and guests stood up and gave our volunteers a standing ovation for all that they did to make their event special.

As always, our dinner was outstanding. Three entrees, homemade soup, salad and of course a wide variety of desserts and coffee. Our bar kept everyone in great spirits all night long. Our entertainers, Tony and Debbie, had everyone dancing and singing the night away. And to end the evening we raffled off a beautiful gift basket that was made by Gloria.

As I said, our volunteers really showed what our lodge is truly made of. A few days after the event I personally received a call from the Grand Lodge secretary thanking us for all that we did and asking us to book another convention with them in January of 2027. You should all be proud of what we have accomplished, I know I am.

Don't forget our council and members meetings on Thursday July 9th. The Council meeting starts at 3:30 and is followed by the members meeting at 5:00 PM. After the meeting pizza and dessert will be served. So, if you want to know all that is going on at your lodge and you really like good pizza and want a nice cup of coffee with your dessert, please join us at our upcoming meetings.

On a personal note. Many of our members lately have been ill or recovering from surgery. I would just like to wish them all the best and a full and speedy recovery .

All the best,

Proud to be your president,

Frank DeLisa

Why did the banana go to the doctor?

It wasn't peeling well!

Why did the lion eat the tightrope walker?

Because he wanted a well-balanced meal.

Why did the bullet end up losing his job?

He got fired.
