Dream Caché

Welcome to Sheri’s dream cache releasing what has been kept hidden until now. There are stores of riches kept in a vault up to this day, which open the door of understanding the voice of God in dreams as answers to prayer. The wind, the storm, the rain and the lightening of God is coming. Feel the wind? There is always a gentle breeze just before the tornado. Oh how we have looked for the eye of the storm in this world in which we live, yet we have not found it. We have prayed, yet we are not healed. We have spent countless hours on our knees without finding our deliverance. Our children remain on drugs; our families are still in bondage; we are yet poor and destitute. Our Churches are poor, filled with empty pews and soggy coffee. When will we answer to our prayers? We have been tried by our enemies. They have succeeded and left seeds of doubt which grew to a cancer eating away at the heart of God. Our faith has been clouded by our own sinfulness and lust for the things of this world. Yet we continue to seek for answers outside of ourselves which will save us from the dream condition which we are in. Where is the answer? Take encouragement, friends, we have brought a new shipment of hope: It’s the hearing the voice of God for yourself. Just like Moses heard the voice of the Lord and brought Salvation to the Children of Israel. He is bringing this same today. Has God changed? No. Suppose you have a question? Do you expect answers? There is one, you know, and it is a ship that reaches out to you, a special way and enable the enemies of doubt within your life to be crushed and conquered. What I bring is a bridge to faith. We attempt to reach a God we do not know; only have heard about from those going on before us. But, when we reach into that darkness, we are unsure of a connection: Will there be a hand reaching back to us? We don’t really know. That is faith, my friend. Faith reaches into the unknown seeking something you are unsure of while trusting that there will be an answer on the other side. Welcome to my dream Caché. It is like a jewelry box filled with gems, sparkling in the moonlight: dreams that come to life as the voice of God dances through my head night after night. And, He wants the same for you. He told me, so. Your dreams and visions can be a bridge to a relationship with God giving encouragement, hope, help, and direction hidden in this vault of wondrous pictures sent straight from heaven. I have propped open for you five doors and a window. I encourage you to learn to seek God through learning to understand His voice as it comes to you His way, now as you are comfortable accepting it. Remember, God came in thunder, storm and a wind in times before. Why wouldn’t He now? May I present this shipment of Grace. For it is by the Grace of God that we are saved. Remember that.
