Ordering Information

Print Sets are available by number for \$15.00 per set. They come with a CD

The Print set gives all of the information to correlate the software with the printer to print the set. Print sets are written to océ Imagistics Printer.

Pattern Sets of the same number are available for \$15 per set. They come with a CD.

Pattern Sets give the patterns of the item in the software indicated so that they may be manipulated.

You must have the indicated software loaded on your computer to open the Print or Pattern Set and be able to manipulate. Complete simple instructions are given. The Print and Pattern Sets are written for all levels.

Just Stickers, Cards and Bar Codes These books are groups of Print and Pattern sets with additional information specific to the subjects. All come with Memory Stick. \$189.00 per book.

Come and see the Print and Pattern Sets in motion at the Convention Center October 20th-24th at the ARMA Conference in Las Vegas, Nevada.

The Glorybound Lasertrain will be demonstrating all of the Print Sets live at booth 1046.

Alpaca Personalities

What can Print Sets I Do for you?

Do you want professional quality printing with the software you already own?
Do you want to publish like a graphic artist without taking classes?
Do you want to two page and four page booklets which come out of the printer folded and stapled?
Do you want to integrate InDesign computer programs with your printer and drive the printer from the computer?
Do you want full control without wasting paper, time or money on printing?
Do you want to publish books on demand?
Do you want to print documents with holes or staples?
Want to print your own business cards and documents with copyright notices embedded on each page?
Do you need special certificates to frame?
Do you need registration book marks for special books?
Is there a difference printing from InDesign and PDF?
Do you need to print on vellum or vinyl paper?
Overcome them using the Glorybound Laser Train digital technology with Glory Bound Books Ltd. Publishing Company's proven methods of desk top publishing.

Combines methods of CS Indesign, Photoshop, Illustrator, PDF formatting, Word with Océ Cm5520 copier.

Includes CD to print with complete instructions to fold and staple your own Lake Powell Calender using your equipment.
