Glorybound Kids Books, publication options and Teacher's Training Tracks

### ***Purpose of Glory Bound Books***

*Glorybound Kids is attached to Glory Bound Books Ltd out of Las Vegas, Nevada. We are a business which was started by two sisters who put their talents together. Sheri Hauser is a writer and Karna Peck is an artist. Together they began publishing wonderful books with delightful messages and pictures.*

*The books are classical and seek to promote good moral behavior. Many of the books are translated into foreign languages and are released with music, CD's, and plays which can be performed by the kids.*

*Karna and Sheri are trying to put themselves out of a job by encouraging the kids to do art, stories and poetry on their own. They actively promote learning and share all of the books on-line free of charge through the web site [www.gloryboundkids.com](http://www.gloryboundkids.com).*

We have other artists and authors who have joined the 'family' bringing their art and stories which we are putting into song and music making DVDs as fast as we can. John Jones has been a wonderful help adding music and color to the stories.

Our distribution is to individuals through the web site, schools and book stores. Our books are like peanut butter in celery because they sneak healthy principles into the reading diet of children

## Purpose of the Program

The program is designed to motivate students who are interested in art and give them a head-start in the field by publishing their 'works' early.
