

Purpose: To promote the creative gifts of writing, art and music

Plan: A coffee shop atmosphere is good because it is casual.

- The scheduled program to last three hours
- Music {Like guitar, flute, piano, bongos} The music will break up the three hours.
- Reading followed by critique of registered writers, or artists.
- Informational speaker time from {experts}
- It could be related to skills of writing, printing, publishing
- It could be an art class; like a painter doing a piece live.
- It could be the development of a music piece on site.
- It could be demonstrative of computer programs which assist artists, writers or musicians.
- ***It is not a sales time***, but an educational focus with demonstration

Creative Explosion Night

This will be a **Glory Bound Books Ltd.** Sponsored event and all of the participants need to register through our office in order to participate and schedule for a specific time so that we will favour art, music and writing on different nights.

We would like to be able to allow participants to display and sell their books, art and music during the three hour **Creative Explosion**. There will be a fee of \$2.50 per person on the night of the **Creative Explosion..** Which will go to the coffee shop who hosts the **Creative Explosion**. {Collected by GBB}

The participant who displays his art, books and music will be responsible for their own pieces. The Coffee shop will receive 5% of the sales price on each item sold. {This money will be collected through the **Creative Explosion** sponsored by **Glory Bound Books Ltd.** and given to the coffee shop within five business days.

Glorybound Books

- We focus on publishing books which help establish strong moral character in kids and 'big' kids. Many of our books have musical play rights and animated readings with musical backgrounds. We have extensive artist banks of photographs and fine art which is used in our books in cooperation with authors and artists.
- Glory Bound Books Ltd. is sensitive to all religions, yet does not proselytize because this is not our purpose. It is our desire to share the creative expressive gifts which have been given to many.
- Some of the services we offer are:
- Logo development using Photoshop Software integration with scanning of photos and digital camera integration
- Photos and artist bank.
- Bar code development from Wasp Nest Bar Code suite Software.
- ISBN International Standard Book Number.
- Copyright registration from Library of Congress. We will fill out all of the paperwork and have it ready for you to sign once your book is published.
- GBB Editorial services using Acrobat 7 software
- Balance and Format: Using CS2 Adobe Software.
- Printing of books on demand {color and black and white} with a variety of bindings: Soft cover {perfect bind}, wire bind, velobind and comb bind.
- Printing Liaison We will 'hold your hand' helping you to get your book printed. We walk you through the steps from manuscript

to receiving your notice of registration of Copyright from the Library of Congress.

- If you already have your book compiled and in a printer format, then we can still assist you to finish the project. No matter where you are along the path to your dream, we can help to fulfil it.

Glorybound Kids

- We have the **Hop-a-Log** children's series books featuring a family of frogs who sing and dance their way into the lives of children. The stories are released in books, animated CD's and as background for plays that children can perform in their environment. Many books feature an alternate language translation. Presently we have Thai, Russian and Korean.
- Honouring Languages Program provides 20 free books to the Tax Free Institution of your choice if you decide to translate a Children's book into an alternate language for GBB.
- We publish books and bring the author and artist into cooperation writing all of the contracts necessary to fulfill the requirements so all are paid fair royalties.

Glorybound Music

- Sound Studio recording
- Sound Experts
- Publication with licenses, contracts and copyrights
- Mp3 DVD reproduction
- We do animated readings of the books
- We are working on full length plays with ballet.
- All music, plays, scripts and animated scripts.
