

Congratulations on receiving your Sharing Ole Lumpy Package!

You are one have been chosen as one of the first ones for us to share our Ole Log with.

What we have included in the box is a CD which can be played in your car.

It has been recorded at a fast speed, so you may find older players will not play it. So, much for high tech. Also, we have included a book, a frog and a tee shirt. If you need a different size let us know. If you want more books, tee shirts, frogs or CDs you may fax the order forms. We are presently working on the next animated recording which will be 'Ba, Ba, Verde, La'. You can look for it.

Again, congratulations! If you have friends who want to order the box, the price is \$40.00. Be sure to note we have a teacher's Pkg.
