

Legal Page Pattern

You can use Print Set 26,
27, or 28 if you are not
sure how to print using
legal paper.

- 26: Legal Contract
- 27: Legal Contract stapled
- 28: Legal Contract, sta-
pled with watermark.

This would be your cover or first page.
If you do not want the page number on this page you
can make a ‘patch’ of the same as the cover or white
and cover the number so it is not visible.

← Page Number

Both of these pages together

Printable area denoted by the large box.

See how easy it is to place
things on the page once you
have already found the center.

is called a spread

Notice how the odd page always begins on the right side and the even page on the left.

Be sure to set your print up from the page number so that the page number doesn't interfere with the main body of the type.
