GBK books are published with the intention of adding moral fiber into the diet of children. They are based on healthy principles of living. Our books are similar to putting peanut butter on celery in that they sneak nutrients while making it fun to consume. Most of the art comes from paintings by artists who specialize in these subjects. We have books appropriate for home school and doctor's offices.

# Dream Dancing with Dad

My soul danced last night.  
I am not sure of the tune and  
can't remember the lines.  
The dance floor is a blur,  
but this morning my heart pines.

For, the dance was a draw,  
a lure from above  
that twirled with my mind  
and showed me some love.  
Like a child with her father,  
we danced the night away.  
My shoes over His,  
gave me the sway.

He led the steps, His arms around mine  
and sang into my ear most of the time.  
But, it bothers me, yet,  
as I lie here and fret.  
Unknown to my mind  
is the tune of any kind.  
Was it a waltz, a polka, or a glide?

My mental muscles are sore  
to be sure  
from the miles of dance floor  
that was the lure.

A light blue cloth is hanging from a thin black line, secured by seven wooden clothespins. The cloth has a subtle, circular, sun-like pattern in the center. The text is written in a simple, black, sans-serif font on the cloth.

Still, my mind is a blur, my brain is a fog,  
recall I cannot,  
I must have slept like a log.  
Because, I know I danced,  
I twirled and I swung.  
For, this morning, my soul to Him is brung.  
We must have been close

as we danced cheek to cheek  
Twirled through my mind,  
in my heart He did peek.  
But, where did we go,  
I wish I knew  
But, that's OK,  
because I think I grew  
Closer to my Father, with each step.  
My shoes over His, on my pillow I slept.

Did you ever have a dream waking up with a wonderful feeling, yet unable to recall any of the details? Our Father in heaven gives us amazing delightful dreams that dance through our head at night. He sings into our ear and directs us according to His loving arms just like a father dancing with his young daughter as she puts her shoes over his. There is no need to learn the dance when the father knows the steps and allows us to rely completely upon Him. Such is Dream Dancing with Dad. Enjoy the heart warming allegory related to how God brings us dreams filled with delight.
