About the Author

Sheri Hauser enjoys writing books to help children grow up healthy in mind, spirit and body. She is the writer of several children's books, songs and plays. One of her biggest talents is rhyme. She is the mother of 2 girls and has a husband, Paul, who is an airline pilot. She works as a nurse in Las Vegas.

Matt Stone is a Pharmacist

Matt's Pharmacy Farm is one of the books which targets Health Issues concerning Children. All of the GBK Health books are backed by Health Professionals. Sheri Hauser is a Registered Nurse who has worked in the field for over 25 years. She presently works at Desert Springs Hospital in the Intensive Care Unit and specializes as a Heart Nurse.

GBK is a division of Glorybound Publishing which specializes in publishing children's books which sneak fiber into children's diets like putting peanut butter on celery.

Thanks for the trees
that house the bees
to bring
healing to you and me.

Matt's
Pharmacy
Farm

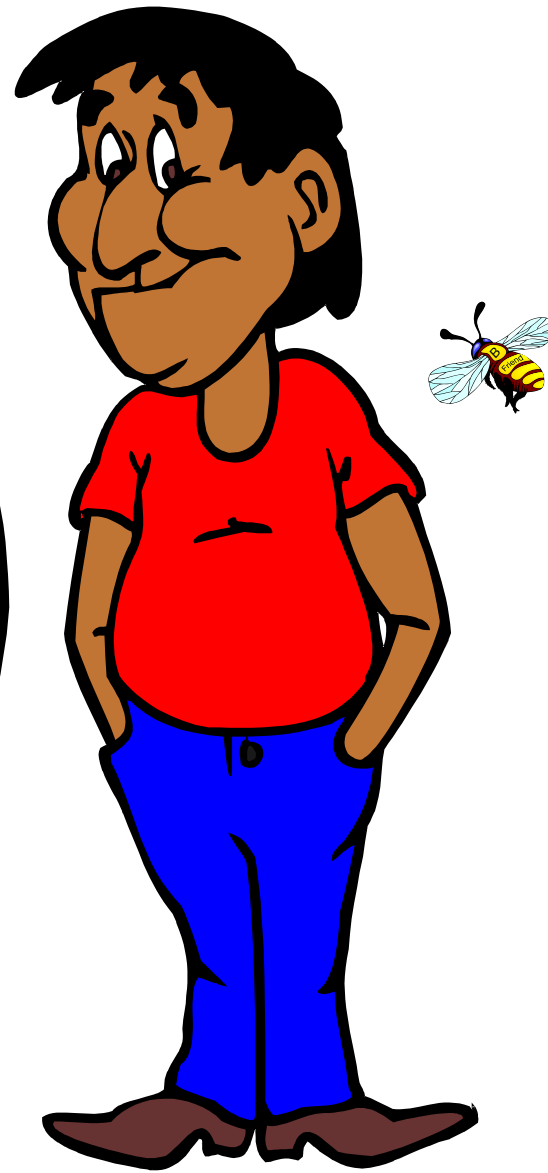

There is a pharm
farm open for
business
Growing and
gathering all
things good.

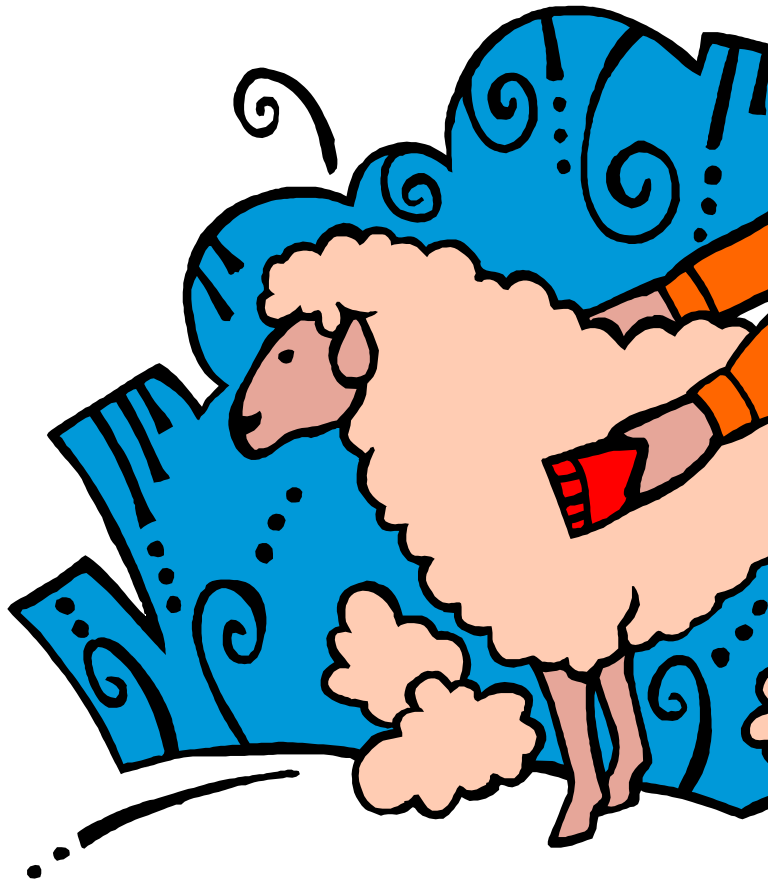

Matt's Pharmacy Farm helps
people get well
Adding what is needed with a
story to tell.

bushes and bees;
cattle and sheep
give us medicine to keep
bacteria away.
Hurray!

It is a place where plants are grown,
seeds are sown

and many a lamb is raised.

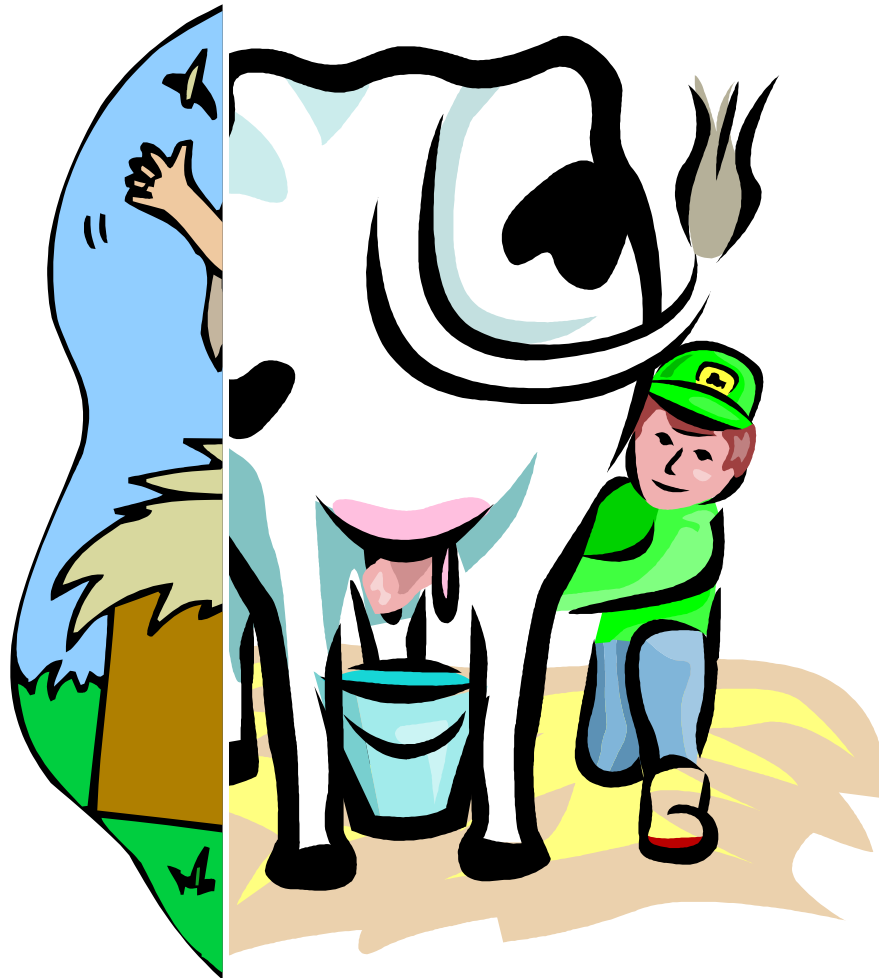

Medicine is made and sickness
is laid to rest.
Plants and trees,

It is a place where limbs are trimmed
and milk is skimmed
to make a way for more.

to bring wellness and health.
For, what is grown
and what is sown
brings immeasurable wealth.

Matt's Pharmacy Farm
has a unique function;
a genuine uncton
