Glorybound Publishing

Sheri Hauser redefines digital publishing with the release of Glorybound Publishing Company in Las Vegas in 2008 three years after the inception of the limited liability company charter in January 2005.

Glorybound Publishing is proud to release, all at once for review 70 books, 20 Lasertrain Digital publishing for Business books, 56 print and pattern sets for digital publishing, five calendars displaying fine art by the Glorybound Artists and 26 signed and numbered fine art prints by two artists. The Children's department, GBK is releasing 7 major books accompanied with educational learning programs, plays, music, and activities which promote interactive elements designed to promote moral development in children. The company programs include the Artist Bank {providing training and support for Artists}, Educational School Programs {English and Art Honour Books}, Especially for Teachers {Plays and interactive activities for classrooms}, Glorybound Lasertrain {Helping business help themselves}, Glorybound Christian Authors of Nevada, Publication options for Business {Publication Packages for Business} and United in Word {Translation of books}

Our books are published using the latest software and printing techniques with integration of Photoshop, CS2 In Design, Illustrator, Avery, Acrobat and Web design. By building the company from the ground up using digital software technology we have the capability to enlarge, shrink and change the books printing on demand maximizing the printing capabilities of the printer and computer software integration to speed publication and formatting.

Statement

Glorybound Print Sets are not affiliated with Océ Imagistics. Glorybound Print/ Pattern sets are published by Glorybound Publishing of Camp Verde. They originated in response to the needs of the publishing company to produce what it needed to do business.
