### **General Distribution**

We are a family owned business which brings together a variety of skills and gifts (artistic and writing) with offices in 3 states. Our target distribution is to schools, libraries, Church bookstores, and those who encourage moral conscience. Refer to our web site [www.fordreamers.com](http://www.fordreamers.com) for our books and catalogues.

### **Wholesale Options for Business**

Glorybound Publishing encourages the resale of our books through organizations who support our principles. Many of our books contain spiritually sensitive writings, so we expect that they will be treated with respect in the resale options. The company is unique in that our goal is not to make money, but share creative gifts which have been given. We compile and send out writings, music and programs with a primary goal of bringing honor to the one who created it all: God.

The books and music will sell if they are written well with messages of truth because there will always be a market for good literature. We strive to select the best artists, authors and music composers of this era...and we believe we have.

## Options for wholesale:

- The business may purchase under the Consignment for Credit at 30% reduction from retail. Paperwork must be filled out and the retailer accepted to receive the \$1000 consignment option.
- The business may purchase outright at 40% reduction from retail.
- Sales must be over \$50 to receive wholesale discount.
- Retailer must have a business tax ID which is given at time of order.
- No tax is charged on items purchased in this catalogue because they are sold at wholesale prices. It is anticipated that the seller will charge the customer whatever tax is required at their place of business. Glorybound is not responsible for the tax which should be paid on these items because we sell them wholesale to the seller.
- All of the items are given at the same percentage under the same sale. If the seller is using consignment credit, all of the items will be sold at 30% discount. If the seller outright purchases the items, then it is considered wholesale @ 40% discount.
- Glorybound Publishing doesn't mandate who the items are sold to. We only ask that they are not sold for a price greater than written on the items.
- All items come with a bar code and price.
- Promotional materials will be included periodically within regular sellers packets.
- All sellers will be displayed on the Glorybound Publishing web site and listed as a distributor. If you provide us with additional information related to your business (such as location, photos, and hours of operation, or times of church services if you are a church) we will be happy to include a page or link from our website.
- We will send our writers and artists to book signings or speaking engagements at your store or church as the interest in their writings is encouraged by your store.
- Orders may be faxed or telephoned to the office.

## Consignment with Glorybound Publishing

### Consignment Credit

- 30% discount on retail price of the order
- Pay for books in 90 days with the total cap of \$1000.00. At the end of 90 days the store will be billed for the total amount. They may keep the books or return to GBB.
- 20% due on consignment
- 90 days to pay the total.
- Recommended payment schedule bill over 3 months.

The program works like a credit card with 0% interest. There is a set charge of \$7.35 per month while a consignment credit account is active. If the account becomes inactive, the retailer is not charged the 'handling fee' of \$7.35 per month.

\$1000 worth of books and merchandise may be ‘charged’ totally.

When any portion of the amount is paid, then additional may be charged up to \$1000.00. If any order is put in for any amount which is under the limit, then more books may be ordered up to the limit within the limit amount. The orders are set according to their payment schedule {or send back schedule} according to their respective dates. Each order is treated separately although the total is cumulative.

For example if you order \$200 worth of books then 20% is due at order {\$40.00} and in three months \$160 is due. Then, suppose you order another \$100 in books. Those books need to be paid for with 10% {\$20} initially, then \$80 due in three months. Each order has its own payment due dates according to the order date. You may have no more than \$1000 out in consignment credit at any one time.

The cycle is 90 days. At ninety days the books and merchandise must be paid for or returned to Glorybound Publishing If the books are not returned by 90 days, the retailer will be billed for them. They may not be returned after the ninety day period.

If the books are returned to Glorybound Publishing soiled, damaged, with torn pages or marred to such a degree that they cannot be resold; the retailer will be billed for the damaged books and merchandise.

### Parameters of Resale

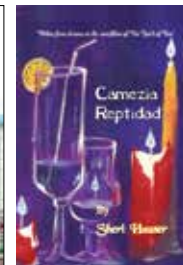

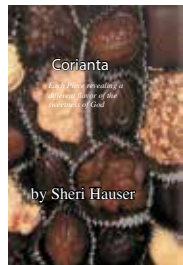

1. Retailer may not sell the books and merchandise for more than the price on the package as distributed by Glorybound Publishing
2. The books may not be given as wholesale to any other party other than that which is under contract for distribution of GBB products.
3. May not advertise or promote the books or merchandise in a manner other than intended in the promotional material by GBB.
4. The business must be in good standing with the laws of the State and County which it is selling the books and merchandise in. It is our desire to deal with honest businesses only.
5. Retailer may not compete with Glorybound Publishing. It is our desire that they will to refer customers who want additional merchandise directly to the main office.
6. The retailer is responsible to insure the merchandise and books while they are on consignment status against theft, fire and damage of any type. If the books are damaged while they are under consignment the retailer is expected to cover the cost of damages.
7. Mail costs are split between Glorybound Publishing and retailer. Retailer portion will be included in the invoice.
8. All books and merchandise under consignment from GBB must be sold in accordance to the laws of the government which holds jurisdiction in that area. Our books and merchandise is sold ‘wholesale’ and no tax is charged at the time of sale, but it is expected that the retailer will abide by the local sales taxes.

## The Company

Glorybound Publishing is located in Las Vegas, Nevada, however works with authors, artists and musicians through the world via the world-wide web. The company was started by Sheri Hauser who desired to release the 'dream books' so that others might understand their dreams. Through learning to publish and print books for herself, she developed a digital publishing program (Glorybound Lasertrain) which became a ladder for others to publish their own books, brochures and media. Karna Peck, her sister has contributed greatly to the beauty of the books with her art. Together, they form a team able to write and draw at an amazing speed. Beginning in 2005 under the name Glory Bound Books the company outgrew its name and became Glorybound Publishing in 2009. There are three distributions within the company: GBK (Glorybound Kids Books), Glorybound Lasertrain, and Glorybound Books. GBK refers to the children's books, Lasertain is the digital software publishing patterns and print sets, and Glorybound Books are the adult reading level books. All of our books are registered with Bowkers ISBN and United States Copyright Office. Our SAN (Standard Address Number) is 256-4564. We publish books, and anything paper, as well as Music. We work with those who wish to self-publish and start their own company, as well as artists, musicians and authors who want us to publish their works under our Logo. We are members of ASCAP 0137353 (American Society of Composers, Authors and Publishers).
