Testimonials...

Here is some feedback about my services (college application essays & supplements and/or tutoring):

Hi Megan - I just wanted to thank you for all your help with S. this year. Her last ACT test is over the weekend and I am hopeful that she will improve again. You have been wonderful with her and for that I am so appreciative. She is two points away from making high honor roll in school this marking period and her grades all year have been A's and only a couple of B's. No matter where she goes to school next year, I am so proud of the progress she has made this year. You have been a big part of that, and I want you to know how much G and I appreciate it -J

Megan - I wanted to let you know that S. just found out that she got into Syracuse. She is beyond beyond happy and is going to commit. I want to thank you because she clearly wouldn't have gotten in without your help and all you did for her. I hope all is good with you and your family. -J

Dear Megan,

I would like to inform you that H. had sent his Yale application two days ago. His essays were great. You did a wonderful job to help him to improve his essay writing. He learned a lot from you. Recently, H. was noticed as a recipient of the SIEMENS Competition Regional Finalist. He needs to spend time for next levels of competition. Besides, H. will participate in the incoming Intel Competition. Therefore, he needs to focus on both competitions. He will be continuously working on regular school applications but with a slower pace. He will contact you whenever he finishes an essay. Your revisions are considered to be very helpful.

Thank you for your good work.

Sincerely,

H.'s dad

Hi Megan,
