## CREATED IN 2022, SPRING CAFE & RESTAURANT IS A HOME-GROWN CONCEPT WITH A MENU OFFERING BUILT ON HEALTHY FOOD

- The Spring catering concept was created in 2020 to serve the KSA market with innovative trendy and healthy varieties
- Spring catering transformed from a simple shop to a trendy hotspot that offers wholesome food in a homey and vibrant atmosphere
- It has a comprehensive menu that spans from hearty salads and bowls to a variety of sandwiches and delicious desserts
- Spring catering was established in 2020 in Riyadh as a home-grown concept in the healthy eatery space

- Spring catering attracts customers that are looking to eat a healthy homey meal, or indulge on one of our signature desserts
- With a shift in eating habits moving towards a healthier menu, Spring catering is well positioned in the market, as it provides customers with healthy and affordable options
- we operate one branch in Riyadh, but we are looking forward to expanding in all regions of the Kingdom

## LEVERAGING ON ITS CENTRAL KITCHEN, SPRING-CATERING PROVIDES CATERING SERVICES TO RESIDENTIAL AND CORPORATE CLIENTS...

Spring catering offers catering services (residential and corporate) where they either provide a full team of chefs and waiters to cater an event, or deliver large platters with a selection of menu items personalized per the client's request. Spring catering provides a mix of existing menu items, as well as provide meals that are not typically on the menu, including certain hot meals during Ramadan. Spring catering provides live stations that span a variety of options, such as authentic pizza ovens, Japanese sushi stations, slider stations, Italian pasta stations and barbeque stations.

With the Corporate Events option we offer a range of products, from buffets to coffee break snacks

With the Home Events option clients are able to customize their menu and are served by a full team of waiting staff

With the Live Stations catering option Spring catering provides a chef from its kitchen to personally cook for guests
