

WARRANTY

For CONVERSIONS ONLY:

All conversions void Starlink factory warranty.

Unique Componentry provides the original purchaser a one year warranty on Unique Componentry workmanship and parts. This does not cover improper installation or wiring (including hooking up to reverse polarity or over voltage). If you disassemble the unit in any way, you will void your warranty with Unique Componentry (example: removing the side housing on a V2 or the back plate on a Gen 3).

Physical damage to the unit due to improper mounting, dropping the unit, etc is not covered by Unique Componentry's warranty.

Failure of Starlink OEM parts or components is not covered by Unique Componentry's warranty.
