Dear Fort Towson Water Customer:

After a lengthy study conducted prior to the September 9th City Council meeting, a rate adjustment was voted on and approved to take effect on your January 2022 billing cycle. This adjustment is designed to cover the operation and maintenance expenses of the PWA and improvement to the aging water infrastructural needs. Upgrades to an aging infrastructure are always necessary to keep up with demand, growth, and accuracy to ensure that we continue providing the best service possible for our customers. Thank you kindly for your understanding and support.
