# Program Support

Critical Missions Depot Repair

## Caliber Sales Engineering

In Recognition of

### PERFORMANCE EXCELLENCE

#### **CN&GT: Counterdrug Surveillance Systems (CDSS) Program**

Caliber Sales Engineering has performed with **exceptional excellence** in supporting the **CDSS** program by repairing **mission-critical TPS-70** equipment. Caliber's **customer-focused company culture** facilitated the repair of **over 250 items**, contributing to the **continual operations** of the CDSS program's radar system.
