★ We Have Fun! ★

Little Scholars is a unique and flexible enrichment program that supports both the inquisitive and playful side of kindergarten children. It provides children enrolled in kindergarten the opportunity to extend their learning with a full day experience.

Our Little Scholars will:

- ★ Extend classroom learning through math, science, reading, writing, art and music
- ★ Discover and problem solve
- ★ Create and invent through play
- ★ Develop social relationships and a sense of community
- ★ Discover ways to make our world a special place.

Little Scholars is offered 5 days a week for students who will be in kindergarten in the 2019-2020 school year. Choose full time or part time on a fixed schedule for the entire school year. Additional days can be added based on availability. Little Scholars is for both Westminster students as well as students in the surrounding districts.
