

Westminster Nursery School Enrichment Class Offerings

Amazing Artists

(Tuesday AM & PM; Wednesday PM with Ms. Seech)
Every child can be an amazing artist by engaging in fun activities which enhance children's creativity, imagination, and self-esteem!

This class will introduce your child to famous artists and their works of art. They will also discover famous authors and illustrators through classic children's literature. Students will be inspired to create their own artistic masterpieces every week!

Cooking Up A Story

(Monday PM with Ms. Seech & Mrs. Miehl)

Each week this unique and fun class will have story time combined with a related cooking activity. The students will:

- Create a cookbook of recipes prepared in class
- Learn sequencing skills and how to follow a recipe
- Enjoy delicious snacks that they cook themselves
- Learn about food groups, nutrition and healthy foods
- Appreciate scientific concepts such as process and change
- Develop teamwork and cooperation with other classroom "chefs"
- Develop reading readiness and literacy skills in a fun, interactive environment
- Develop math readiness skills, such as counting, measuring, and quantity

Curious Minds

(Thursdays AM & PM with Ms. Seech)
Curious Minds will be an interactive and exciting class that incorporates all the components of STEM education. STEM is an educational approach that combines Science, Technology, Engineering and Math into every day learning. Children will be encouraged to experiment, build, observe, explore, problem solve and create.
