

SEVENTH SUNDAY AFTER PENTECOST

Jesus does great deeds of power and gives his disciples authority over demons. Yet none of this power is unilateral; it all must be received by faith. Jesus asks his disciples to go out without money or supplies, so that they will be dependent on how others receive them. When we are sent from the assembly to witness and to heal, we are asked to be vulnerable, to be dependent on the reception of others. The Spirit always operates in the "between": between Jesus and his Abba, between Jesus and us, between you and me, between us and those to whom we are sent.

FLOWERS

The flowers today are given by Phil and Debbie Troutman to the Glory of God and in honor of Charlie Miller's 4th birthday that was on July 5th.

KIMBALL DURING THE SUMMER

Many of you will be traveling over this summer. Please do remember that your church NEVER goes on Vacation – Sunday School and Faith Formation will continue throughout the Summer months, and our worship schedule does not change. Your presence when you are in town is so very special to us during these months, and your gifts for the church in this time of lower attendance will be most appreciated as well. Please remember that we have a number of fellowship and camping events in Summer – so please do read your bulletins and newsletters carefully to stay up to date on Summer activities. I wish you a happy, restful time of re-creation during these “quieter times”...and hope that the beauty of God’s creation inspires and revives you.

Peace, Power, and Love
Pastor John

ELECTRONIC GIVING OPTIONS

Kimball provides a number of different options for our congregation to electronically present their offerings to the church.

BILL PAY – Most banks today offer a bill payment service with recurring feature. Individuals can set up their offering as a bill, and a check will be issued from that account and mailed to Kimball.

TITHE.LY (through kimballchurch.org) – By going to our church website, individuals can present offerings through an electronic service provided by Tithe.ly. The offerings can be set up as a one-time event or as recurring. There is a charge for this service and the individual has the option of paying the charge, or the amount will be deducted from the offering when sent to Kimball. If you would like any more information about any of these options, or assistance in getting one of the options set up, please contact any member of the finance team, or the church office.
