SLV FAIR JUNIOR MARKET LIVESTOCK SALE BUYING POOLS

Do you want to support exhibitors at the Livestock Sale but don't want to purchase a whole animal alone? Partnering with a neighbor or contacting one of the following buying pools is a great way to support the Sale.

Kiwanis Club of Center

The Kiwanis Club of Center has as one of its major projects, the pooling of community funds for the purpose of maintaining a floor on the price of the livestock sold at the SLV 4-H FFA Livestock Auction. This floor guarantees that all youth have a fair return for their efforts of livestock production projects and are able to bank some money. The youth use their money to pay feed and other expenses, and then set some aside for the next years project or for college expenses.

We do not want to purchase all the animals but we want to see all the youth earn a fair return and to show a profit for their labors.

Junior Livestock Sale Boosters

The Jr. Livestock Sale Boosters has a mission of improving the SLV Fair Sale by having an unbiased approach in upholding the sale prices of the market animals and improving the profitability of the market animal projects. We accomplish this by actively bidding on and purchasing animal projects in the SLV Fair Sale as well as providing add-on money for projects that appear to have sold below market, based on conditions in sale orders, placing and animal species.
