

Welcome to CHARMS

CHARMS is the primary program San Ramon Voices uses to manage choir rosters, family contact information, as well as uniform and other choir-related sales.

We also use the CHARMS system to communicate to Choir families about upcoming events, performances, ticket sales, volunteer opportunities and uniform requirements.

Please take a moment to set up a CHARMS account if you don't already have one, or log in to your CHARMS account to update your contact information.
