## Temperament & Personality Profile

Every kitten is an individual. The following checklist reflects our observations of this kitten's behavior in various situations. Please note that a kitten's personality will continue to develop as they grow.

### Playfulness & Energy Level

- ☐ High-Energy Explorer: Always on the move, loves to climb and investigate everything.
- ☐ Pounce & Play Expert: Enjoys chasing toys, laser pointers, and feathered wands.
- ☐ Gentle Player: Prefers batting at toys gently and is less rambunctious.

# Kitten Assessment Form

- ☐ Thoughtful Observer: Likes to watch the action from a distance before joining in.
- ☐ Independent Fun: Good at entertaining themselves with toys or a cardboard box.

## Cuddliness & Affection

- ☐ Lap Cat in Training: Actively seeks out laps for naps and snuggles.
- ☐ Head Bonk Professional: Loves to rub against legs, hands, and faces.
- ☐ Purr Machine: Purrs loudly and easily when petted or held.
- ☐ Loves Being Held: Calm and content when picked up and carried.
- ☐ Affectionate on Their Terms: Prefers to initiate cuddles but may move away when done.

## Sociability

- ☐ Social Butterfly: Greets new people with curiosity and confidence.
- ☐ Good with Other Cats: Interacts positively with littermates and other friendly cats.
- ☐ Potential Dog Friend: Shows curiosity rather than fear around calm, cat-friendly dogs.
- ☐ A Little Shy at First: May be reserved initially but warms up with patience.
- ☐ Loves to "Talk": Very vocal and communicates with meows, chirps, and trills.

## Independence & Curiosity

- ☐ Brave Explorer: Confidently explores new rooms and spaces.
- ☐ Happy to be Alone: Comfortable spending time by themselves without getting anxious.
- ☐ Follows You Everywhere: A little shadow who wants to be involved in all your activities.
- ☐ Window Watcher: Fascinated by the world outside the window.
