Treasurer's Report: Profit/Loss for League Show: Extra one time costs for beginning of the year \$44 for new tests printed, \$130 for Fox Village, \$60 for a new printer, \$86 for insurance. League show had a profit/loss of -\$6.21. Day After clinic was successful with a \$150 profit. Total in account is ~12,129.43

Old Business:

League Show & Clinic:

We agreed that is was a great format for our area with having a Saturday/Sunday Show/Clinic setup.

We discussed a possibility of having another similar event in October, maybe on the weekend of the Recognized Show we usually have, as a replacement.

New Business:

Ride A Test Clinic:

Do we want to use the outdoor for test riding, the indoor for warm-up?

How to enter clinics (in the future) post-marked by date, like a show would be. Make a definite open/closing date. Define order of entries – must be mailed.

Who is in charge of snacks and lunches for Debbie?

The insurance is approved for the Ride-A-Test

Youth Scholarship:

What do we want to do for it? Jr/YR Camp was discussed, but they are no longer having one. We have room in the budget for something. Nothing was decided upon.

Other:

Jutta Clinic held at Dancing Creek Farm October 25 and 26th. Hosted by Michelle Woollard

Meeting Adjourned at 6:51PM
