

Live Lent

Sheet 1

Every one of us has a story. Every one of us has made a journey, met someone nice and someone nasty. All of us have similar yet different stories to tell from cradle to grave. The story that we know personally may be one we don't want to share or we may want to share a part of it. In this series of discussions and meditations we can share with each other or we can truly investigate within our own limits.

Live Lent is about one big story that we know well, God's story, and which we have heard many times. The idea is to think about this story see how our own story and our journey through life have been affected by it.

Stories are living things and to remain alive need to be shared. The amazing thing about God's story is that it changes people and lives and can change the way life is lived. We are the living proof of God's love and it is up to us to share His story.
