

# Go with who you Know

We are proud to be starting our “Go with who you Know“ campaign. Celebrate the travel ban lifted for residents of NSW to travel anywhere within our home state!

Here is a gentle and very safe reintroduction to travel, no more than 2 hours away from Sydney.

Jump in your car, and leave the restrictions of city life behind you. Take your extended family and/or friends.

## Go with who you Know

Stay in small boutique properties with excellent Covid19 safety policies, and have an incredibly relaxing and rejuvenating break with a strong focus on nature and fresh air.

Go for walks, share meals, watch sunsets.

Learn more about Aboriginal art.

And for the more active, go exploring by bike, skis, kayaks, or hot air balloons!

Please do keep Above and Beyond Experiences in mind when making a booking for your Australian hotel stays or tours.

No matter how big or small  
we look forward to helping you with  
your next adventure.
