Happy Spring Church!

Well, it might not be Spring until March 19<sup>th</sup>, yet the groundhog did not see a shadow so... I say we start acting like it is an early spring now!

I love when the weather begins to get warmer, the nights start to get shorter and the flowers begin to bloom. I especially love seeing that first daffodil with its bright yellow color shining through the bare winter soil. Which, of course, someone always posts a pic of on Facebook or Instagram.

It seems as if people just become happier when the weather changes. Some that suffer from seasonal depression finally begin to have brighter days. The kids are able to run and play in the fresh air. Some (like me) are finally able to go back to the enjoyment of simply being outside, swinging away.

There is so much for us to look forward to this Spring. We are trying something new using a worship theme from Worship Design Studio called "Roll Down Justice". We will be offering an informal communion option. And of course we are patiently waiting for the arrival of our interim Sr. Pastor Bonnie Moore.

May this coming month put a little "Spring" in your step! Now go outside, breathe in the fresh air, and play! (even if you still need a coat!)

Love & Light!

*Michelle*

## Informal Communion

During Lent we will be offering an informal communion option for folks who are unable to come to regular services on communion Sunday due to work or other commitments. Join us in the sanctuary from 4:30 pm - 5:00 pm where you will be able to receive communion and a prayer from a pastor.

\*\*\*Informal communion will be offered on Sundays –  
March 1st and April 5th.\*\*\*

To all my friends at St. John's UCC, Fullerton,

Thank you sincerely for the "Goodie Bag".... It was even delivered personally to my home here at United Zion in Lititz!

I appreciate everything and miss you all!

With love,  
Roberta Haberern

To St. John's UCC, Fullerton,

We are writing to thank your congregation for your recent gift in the amount of \$692.22 directed to our Jubilee Ministry to the Homeless. We appreciate this generous contribution to the ministry and mission of Zion's Church. Thank you for your continuing support.

Sincerely,  
Rev. Robert T. Stevens, Senior Pastor

Thank you for another successful year with our Operation Santa program at Phoebe this Christmas season. Once again because of our friends from St. John's, our Christmas parties and Santa's visits were a triumph. Our residents are always so genuinely surprised every year when they see the gifts for them at Christmas. They never understand how it happens or why it happens, but the men and women who live here are so very thankful. In fact, I wish you could come and see them when they open the gifts—it'll remind you of Christmas morning at home!

I congratulate your commitment to our facility and to all the people in our care. Please know that you are always in our thoughts and prayers, and we wish you and your families the happiest and healthiest New Year. May 2020 bring you the same joy and love that you have given us. God bless you always.

~ Joan Wickel, Director of Community Life  
Phoebe Ministries

To St. John's UCC, Fullerton,

On behalf of my mother, Ruth Eli, we would like to thank everyone for the Christmas goody bag and your thoughtfulness. We are truly blessed for all the support from the church during this difficult time. And a special thank you to Pastor Dave for all of his visits to see and bless us!

Ruth and Shirley Eli

I want to thank Pastors Herring and Quinn for their visits to my husband, Ron, while he was in the hospital. I missed Pastor Quinn's visits but was there when Pastor Herring visited. It was a very nice visit with laughs and prayers. Thank you to both for thinking of Ron and me.

I would also like to add my heartfelt thanks to my wonderful church friends, my great friends and family for their very kind words and prayers. They truly helped Ron get through this latest setback.

Doris Smith

On behalf of the entire staff and our Shelter families, thank you for your generosity, thoughtfulness, and for the warm holiday spirit you imparted when you brought clothing (gloves, hats, scarves) for our families in December. We were touched by the outpouring of support we received from the community and by the fact that every single one of our families received gifts for the holidays. We know the end of the year can get busy, so we greatly appreciate your making the time to share some cheer with those in the Lehigh Valley who perhaps are the most in need of some spirit-uplifting. Thank you again for your kindness and have a wonderful year ahead!

~ Heather Pritchard, Development and Volunteer Coordinator, Sixth Street Shelter

Busy? Can't make it to our 7:00PM service? Stop by our Grape Street parking lot for Ashes in a Dash! Receive the imposition of ashes and a quick prayer from one of our Pastors while you are on the go!

## *Ash Wednesday Worship Service - February 26 - 7:00PM*

The season of Lent begins with a call to repent, which means to “turn around.” This year, we will turn from our apathy and pray to be active instruments of peace, agents of change in the world. This service will include the traditional Imposition of Ashes and Holy Communion. We will be marked as Christians as we prepare ourselves for the Lenten season.

## *2020 Lenten Series ~ “Roll Down Justice”*

Lent is a time of reminding ourselves who we are called to be in this world. Our Lenten series is inspired by Amos, a prophet whose message is that God calls us to let “justice roll down like waters.” What prejudices are we challenged to “give up” as a Lent practice of abstinence, and further, how are we willing to “give” of ourselves for the sake of the world?

### **Lenten “Soup, Spirit, and Soul” Worship - Wednesday nights – 6:30PM**

Please join us for soup and bread and sometimes, dessert! We begin at 6:30PM in Fox Hall. We will remain in the hall for Learning and Lenten thoughts on Social justice issues. We will be in conversation with guest speakers discussing important social justice topics such as adoption and foster care, mental health, abusive relationships, and the prison system. Please join us for this Lenten series as we learn how we can be a part of changing the systems that continue to oppress and marginalize God's children.

**Wednesdays: March 4<sup>th</sup>, March 11<sup>th</sup>, March 18<sup>th</sup>, March 25<sup>th</sup> and April 1<sup>st</sup>**

## March Music Notes

Ash Wednesday begins the season of Lent. We will be using a series called “Roll Down, Justice!”, by Dr. Marcia McFee. Music has been composed by Mark A. Miller. We will be singing two of the songs by Mr. Miller during our Lenten worship services. Some tunes will be new and others will be familiar tunes with new words.

“Let Justice Roll” will be sung as a call to worship and also as our prayer response. “May Peace Flow” will be the sung benediction. The traditional “Lord’s Prayer” will be sung the first Sunday in Lent. The offering response will be sung to the tune *Lasst Uns Erfreuen* or *All Creatures of Our God and King*. Familiar hymns will also be sung during the Lenten season. In this series we will explore our calling to proclaim God’s love for all people by committing to actions of social justice in our communities.

Singing a new song scares some people. As a musician, I like to see notes as I sing something new. People tell me they can’t read music. You may not be able to read the actual notes, but you can see how the words to the song are written. If words are close together, the notes go faster. If there is considerable space between words, notes are held a bit longer. Try your best when singing the new songs. Don’t worry about making mistakes. No one is perfect. And I certainly make my share of mistakes.

During this Lenten season, let the liturgy and music help call us all to join together in the work of addressing justice issues in our communities.

Musically,

*Gail*

## One Great Hour of Sharing

In this newsletter you will find an insert and offering envelope for **One Great Hour of Sharing (OGHS)**. Through this all-church offering, the United Church of Christ helps people around the world whose lives have been devastated by war, natural disasters, and by lack of food or clean water. Together we can make a difference in thousands of lives through this offering. A few examples are:

✝ Aid is sent to refugee camps in the Congo, where refugees seek safety from war and genocide. Help is also given to help refugees resettle.

✝ In India, this offering provides small loans to families who provide much needed food to their community. Once they build up their businesses, they help the community to build wells providing clean water to their village which was affected by a severe water shortage.

✝ In Florida, these offerings help people who are on fixed incomes, ill, elderly, and disabled to rebuild their homes which suffered damage from hurricanes, including Hurricane Irma in 2017. Through these offerings, as well as hundreds of volunteer work teams, over 200 homes have been repaired.

Throughout the world OGHS funds are demonstrating the Love of Christ and support of congregations such as ours to help those who are in need. Your generosity and support will help to continue this life-sustaining work. **One Great Hour of Sharing offerings will be received on March 22.**

## Update on Other Mission Outreaches:

✝ **Church World Service – Hygiene Kits** – Just a reminder that the items we are collecting for CWS are due no later than March 1. We hope to have enough donations to complete 25 Hygiene Kits, which will eventually be disbursed to places in the United States and around the world where natural disasters have struck. Donations can be placed in the container found in the coatroom area off the sanctuary.

✝ **Crafters Group** – The Crafters Group realized a profit of \$1665 in sales for 2019. The Mission Committee designated that the funds be distributed to the following mission outreach ministries: to sponsor a St. John's youth to attend the National Youth Event in West Lafayette, Indiana, in July of 2020; to provide funding to St. John's Discretionary Fund to aid our church families in need; and to donate funds to the Disaster Ministries of UCC National for hurricane and earthquake disaster relief and recovery in Puerto Rico.

# HealthCare Ministry

Cold and flu season is upon us. Hopefully, you were able to get vaccinated, as that is the only way that one might prevent the flu or reduce the severity of the illness. Every year thousands of people die from contracting the influenza virus. It can trigger severe inflammation in the lungs that leads to respiratory failure. The bacteria from a secondary infection can also get into your blood stream and cause sepsis which spreads throughout your whole body.

Sometimes it is hard to tell the difference between a cold and the flu as many of the symptoms are the same such as coughing, sneezing, stuffy nose and sore throat. The flu is usually more severe with symptoms such as fever, aches, chills, weakness, headache and the onset is more abrupt.

In recent news, a new threat has arisen internationally. It is a never seen before coronavirus that originated in Wuhan, China. That is what makes it scary is that not much is known about it. Symptoms so far seem to mimic a flu-type virus. So far, about 2,000 people have been infected with the virus and 76 have died. Most of the infected are from China or have traveled from Wuhan, China recently and were infected while there. The virus spreads easily from a cough or sneeze of an infected person. Five people are infected in the US so far that traveled from Wuhan, China. Great efforts to limit travel from China, check people at airports traveling to and from China are being done to help limit the spread of this coronavirus. In China, citizens are encouraged to wear protective masks to help prevent the spread of the virus.

We will surely learn more as time moves on about how this virus works. In the meantime, to help minimize your chances of catching any of these bugs, here are a few tips to keep in mind.

1. Avoid close contact with people who are sick. If a family member is sick, it may help to invest in some masks to minimize the spread of the virus.
2. Stay home when you are sick.
3. Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
4. Avoid touching your eyes, nose and mouth with unwashed hands.
5. Wash your hands often with soap and water or alcohol based cleaner.
6. Disinfect surfaces that you touch often such as kitchen and bathroom countertops and fixtures and doorknobs.

*PLEASE NOTE: In the weeks following of me writing this article, the coronavirus is now called Covid-19. Most cases are still in China where it originated. It has spread to 25 countries now. It is a highly contagious virus, but not as deadly as SARS or the flu can be. The amount of people with confirmed infection of COVID19 is about 60,000 worldwide with about 1,400 deaths so far. ~ Diane Buss*
