

St. John's Music Ministry is proud to present Worship and Rejoice

Worship and Rejoice, a hymnal published by Hope Publishing in 2003, is an extensive collection of 749 titles containing all the essential traditional hymns, plus over 100 of the top contemporary worship songs. The broad scope of *Worship & Rejoice* makes it the richest resource available for blending different styles of music together in one service.

As we take this next step in growing our worship experience, we would like to introduce this hymnal for usage, taking the place of New Century. The target date to begin using this hymnal officially would be on October 5, 2025. We are providing you, our faithful members of the congregation, an opportunity to dedicate each new hymnal purchased. Each hard-cover book is valued at **\$20.00**. Your generosity and commitment are vital to serving others through our beautiful services.

For your convenience, please use the form below should you wish to donate a hymnal.
