

HOW YOU CAN HELP

In addition to monetary donations, Hill House is also accepting donations of goods like:

- Liquid hand soap
- Gloves
- Surgical masks
- Paper products: paper towels, Toilet paper, Kleenex
- Laundry supplies: liquid laundry soap and bounce sheet

Our wish list continues to evolve, should you, have something to donate, call the house and speak to Terrilynne. She has great up-to-the minute ideas!

Did you know? Over 130 families come through Hill House each year. It costs almost \$1 million to operate Hill House annually. About \$250,000 is funded by the Ministry of Health, leaving Hill House to raise the balance – of \$750,000 – to cover annual operating costs. And yes, barring a miracle, we will be operating at a deficit this year, so every penny helps! Find out how you can donate to Hill House

A heartfelt thank you to our community for all the PPE donations. Thank you for keeping Hill House safe.

We've gone digital!

You will notice the Newsletter is a little different this year, we've gone digital! For everyone with an email address in our system, you can access all the stories through the web. If you are reading this in hard copy, please help us to reduce our costs and improve our effectiveness by calling or sending your email address to info@hillhousehospice.com. Because donations are down (one of many issues facing not for profit organizations during the pandemic) we're looking to decrease costs while maintaining communication with our community, donors and stakeholders as well as respecting the environment.
