She is ordering the missing Senior banners. Chris is donating shaker bottles from Experience Fitness and Alisha has stickers for them. Alisha is working on the program. Potluck Sign Ups have gone out and a reminder will go out. We have a big senior class. Seniors might have an option to speak with a time limit but are checking in with Nate to see how he wants that to look. We might have a photo backdrop. Alisha is requesting pictures. Please upload pictures to kids' folder for Alisha. Set up is at 5:00 and people can sign up for that. Alisha will send out a reminder for pictures and potluck soon.
