Frame Quality

Standard Frames are .75" deep, have more narrow moulding, and a standard build quality.

Premium frames are 1" deep, have thick moulding, are heavier, generally better build quality.

Shipping

All shipping is free. USPS Priority Shipping, US Domestic Only

Standard

A standard monogram is created using generic scrolls, loops, and other basic quilling shapes.

You choose the frame size and color, the letter, and the colors.

Floral

A floral monogram is a single letter surrounded by dense floral motifs that fill the entire background.

You choose the frame size and color, the letter, the colors, and a few primary flower types.

Generic flowers and greenery that match the color scheme will be added for fill, balance, and texture.

Tier 1

Tier 1 describes custom artwork that is more complex than a floral monogram.

Complexity can mean the materials needed (e.g. imported paper), or the types of techniques required.

Tier 2

Tier 2 describes custom artwork that is moderately complex and/or requires a more substantial time investment than Tier 1 artwork.

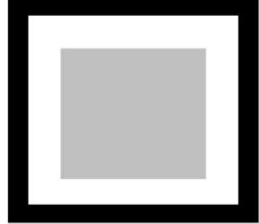

Tier 3

Tier 3 describes custom artwork that is extremely complex, layered, or dense and also requires a substantial time investment. Examples of Tier 3 artwork include house portraits, animal portraits, etc.
