WARNING: Under the Michigan Equine Liability act an equine professional is not liable for an injury to or death of a participant in an equine activity resulting from the inherent risk of the equine activity.

I understand that horseback riding will expose me to above normal risks. These risks include collisions, obstacles, variation in terrain and surface/subsurface conditions, and unexpected actions of a horse, such as kicking, biting, rearing, bucking, striking, rolling, bolting, or running away from danger by trotting, cantering or galloping. I also understand that I will be exposed to inherent risks of equine activity including but not limited to the unpredictability of an equine reaction to cattle, other animals, and sudden movement of people, sounds, and unfamiliar objects. I further understand that horses have a propensity to behave in ways that may result in injury, harm or death to a person on or around it. I agree that I assume and acknowledge these and other dangers that are inherent in the activity of horseback riding. I agree that I am responsible for my own safety. I agree that I have my own medical coverage. I agree that the AHCA, their members, employees, and agents will not be liable if I suffer personal injury or death, except if caused by their gross negligence or willful and wanton misconduct. I agree not to bring any claims, demands or lawsuits against AHCA, their members, employees or agents. I agree that if AHCA, their members, agents or employees are sued by anyone else because of claimed conduct of myself, I will indemnify and hold them harmless for all damages and costs, including reasonable actual attorney fees. I agree that the consideration for this release to be binding on me, my heirs and assigns that I am permitted to participate in AHCA activities or ride on property rented or in use for events. I specifically affirm and agree that, this release constitutes a waiver of liability beyond the provisions of the Michigan Equine Activity Liability Act 1994 P.A. 351. I agree that Michigan law governs the interruption and enforceability of this release. I acknowledge that I am eighteen years of age or older, and I am signing this release on my own behalf and on the behalf of my minor children, our heirs, representatives and assigns.

COMPETITION CAMARADERIE RESPECT INTEGRITY

www.AmericanHorsemenChallenge.com

AHCA is a family friendly competition and a diverse skills challenge. ~ It is an obstacle course event, perfect for all riders, all disciplines and every skill level.

Competition ~ Enjoy the competition of your peers. Show your skills and see how you compare to others in your area. Also, have your points tracked nationally for qualification in the National Finals. Riders compete for recognition and prizes and most of all MONEY.

Camaraderie ~ Everyone will have a great time hanging out with their friends and make new friends.

Respect ~ Respect for riders...respect for horses...respect for everyone is a critical element of every AHCA event. We want to see horse and rider perform to their best and be encouraged all along the way. Negative behavior is not tolerated and everyone is expected to promote themselves, their peers and their sport.

Integrity ~ We will always present our association and this sport with the highest integrity.

Our Mission ~ The mission of the AHCA is to promote horsemanship and sportsmanship at its highest level while providing an arena of camaraderie within a competitive obstacle course setting. Its purpose is to instill public awareness and respect for the horse while members strive to improve their horsemanship skills. All competitions will be conducted with the highest level of integrity.

Hungerford Trail Riders Association

'Dedicated to preserve, protect and expand the equine network'

<http://www.hungerfordtrailriders.org/>

Hungerford Trail Riders Association (HTRA) is a 501c3 non-profit organization registered with the IRS. The majority of the association membership include horse enthusiasts from the West Michigan region; but certainly has drawn members throughout Michigan and surrounding states.

Our purpose is to enhance & protect horse trails, increase rider participation, encourage volunteers; and provide activities for members and friends to network, while utilizing the trail system. Hungerford is operated by the Huron-Manistee National Forest and is located approximately seven miles West of Big Rapids, Michigan.

Members maintain over 51 miles of beautiful horse trails situated on over 6,500 acres of National Forest System lands. Scenic trails go through heavily forested areas of oak, maple, aspen, and red and white pine. Parts of the trails are suitable for less experienced riders, while other segments offer a more challenging experience. The Beaver Pond located West of Hungerford, is a perfect spot for your horses to take a drink.

Memberships include an annual or a life-long membership, which allows the association to work in conjunction with the forest service for trail maintenance, campground improvements and enhancements; along with programming. **We welcome YOU to join us!**

Mission Statement: The mission of the Kensington Trail Riders (KTR) is to promote, preserve, improve and create opportunities for equestrians and the equestrian trails and facilities of Kensington Metropark and surrounding areas. KTR will work to ensure present and future equestrian usage and enjoyment while building a community of trail riders, cultivating strong relationships with the Huron Clinton Metropolitan Authority and other trail organizations in the area. By encouraging proper land management, equal access and promotion of equestrian trail opportunities, the Kensington Trail Riders will encourage equestrian tourism to the Huron Clinton Metropark Authority and be a voice and advocate to policy makers and management in regard to equestrian trails and facilities within the Kensington Metro Park or HCMA area.

Kensington Metropark encompasses more than 4500 acres of beautiful flat to rolling terrain through mixed hardwoods and open fields. With more than thirty miles of out and back trails in the park and a single-track connector route to Proud Lake State Recreation Area and its trail system, there is a riding route and terrain elements for any riding preference. The Huron River meanders through the Northwest corner of the park and provides a welcome oasis for watering your horse or taking a swim after a hot ride.

The park is home to deer and wild turkeys. You might see the large Sandhill Cranes that frequent the area and get to hear their prehistoric cry. In some places the trail will border Kent Lake or maybe you'll ride to the high points of the nine mile western loop. The staging area off Martindale Road between Dawson Road and GM Road is frequently busy with horse people from all areas. Kensington allows no hunting and is generally relatively bug free when other areas are unridable. Facilities at the staging area include a Porta John and nearby hand pump for water, although most just ride their horses over the hill to the river to water. In the warmer months many riders like to take a short ride to the Dairy Queen for a treat to complete their day in the saddle, so make sure to bring along a little extra cash. It is a beautiful park and we are sure you will enjoy your ride here.

Pinckney Trail Riders Association (PTRA) is a 501c3 non-profit corporation registered with the Internal Revenue Service and the Michigan Attorney General's office as a charitable organization.

Our purpose is to improve, protect, maintain and expand the horse trails in the Pinckney Recreation Area and surrounding areas for use by horsemen and women, their families and the general public for horseback riding, horse camping and horse related activities.

Further goals are to establish and maintain a good working relationship with Michigan DNR personnel and to assist them in their efforts to maintain adequate campgrounds and riding trails. Pinckney Trail Riders Association is recognized as a Friends Group of the DNR. As such, PTRA participates with DNR sponsored equine related activities and has other related equine input. PTRA also regularly provides the DNR with our Volunteer Hours Log, where volunteer names and hours are recorded. *Since May, 2009 PTRA volunteers have put in over 1,000 recordable hours.*

PTRA provides our members with the opportunity to connect with fellow equestrians via our Facebook page and email groups (must be a member to receive the benefit of email group participation).

Members also enjoy the many activities planned each year including, but not limited to educational seminars, clinics, picnics, connection with fellow equestrians and other trail groups with information sharing.

PTRA encourages our youth to become involved with horses by exposing them to riding and horses.

PTRA raises funds through donations which are tax deductible, annual flower sales in March, and membership dues to hire contract labor for heavy trail maintenance. Periodic work bees are held for additional maintenance work with cooperation of other user groups (i.e., running and hiking groups). PTRA encourages cooperation between different user groups.

Although we support horseback riding, we also know there are those who do not ride but still support the idea of having open space where the public can go and enjoy the beauty of nature. Your membership can help us to protect the land without ever having "sat on a horse".

Visit our website calendar to learn more about our Spring Fling Banquet for members, plus our signature Blessing of the Horse and Ride to Hell is held annually in May.

About the Western Dressage Association® of America and Western Dressage Association® of Michigan: The Western Dressage Association® of America is a 501(c)(3) educational nonprofit organization focused on providing a model of horsemanship that optimizes the partnership of horse and rider for their mutual benefit. The mission of the Western Dressage Association is to honor the horse, to value the partnership between horse and rider and to celebrate the legacy of the American West which is focuses on through its offerings of educational opportunities and events to the equestrian community.

WDAMI Mission Statement: The mission of the Western Dressage Association® of Michigan (WDAMI) is to build an equine community that combines western tradition with Classical Dressage. We honor the horse and value the partnership between horse and rider. Join us as we celebrate the legacy of the American West.

What year was the association founded? WDAMI was organized/recognized by the state of Michigan in 2014.

What is the average number of members that you have annually? Approximately 60.

Does your membership run January to December of each year? Yes.

What breed/discipline does the association focus on? Focus is on all breeds of horses and ponies, and includes mules.

How many shows/events/workbees do you hold each year? We hold two to three live events each year, including virtual show opportunities.

Do your shows have Nat'l. Association approval/affiliation? WDAMI was officially recognized by the Western Dressage Association of America (WDAA) in 2014. WDAA is the National Recognized Affiliate with the US Equestrian in 2013.

Is there a youth division? WDAMI recognizes and awards the following divisions: Open, Amateur and Junior. More information can be found on our website: www.wdami.org

Are there year end awards? Yes. WDAMI supports our members with awesome year end award for both virtual and live shows.

Do you have an annual banquet? Yes.

Do you have monthly meetings? Yes. The WDAMI Board of Directors meet once a month via phone conference. Minutes of the meetings are posted on our Facebook page "Western Dressage Association® of Michigan" and our website at: www.wdami.org.

What is your association website: Our website is: www.wdami.org, and Facebook page is: "Western Dressage Association® of Michigan."

Who should be contacted with questions about the association? Any of the Board members listed on the website, our President Suzanne Morisse 906.440.0215, our Treasurer Carol Baldwin 231.525.8842 or 231.290.0061, or our email: infowdami@gmail.com. The WDAMI office is located at: 9075 Brudy Rd., Wolverine, MI 49799.

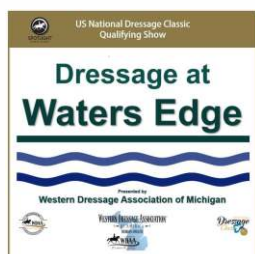

What goals would you like to see your association obtain in 2023? Our goal is always to continue educating riders about Western Dressage and to continue encouraging riders and their horses to reach their potential. Western Dressage is an awesome tool in accomplishing that task.

Additional information you would like the public to know about the association: The sport of Western Dressage is continuing to grow. When WDAMI started in 2014, very few schooling shows offered Western Dressage classes. Today, almost all schooling shows in Michigan are offering WD classes and this has encouraged many riders to participate in this competitive sport.

Your membership makes a huge impact! Each membership and donation goes right back into keeping your trails maintained.

Yankee Springs Trail Riders Association, Inc. (YSTRA)

Yankee Springs Equestrian Trails are mainly sandy, with a few rocky parts, but nothing that keeps us away!

The 9 Mile: Great for any rider. This trail system does have hills and some rougher terrain. Riders of all ages and skill levels love the scenery!

The 6 Mile: We would rate this trail great for any beginner rider. Minimal rocks and easily navigable terrain.

The 4 Mile: This trail is known for it's more rocky terrain. It does have some steep hills, but the scenes are WORTH IT! Find yourself on top of a high ridge looking down into the forest and you can sometimes see Gun Lake on a beautiful fall day when the leaves aren't so thick.

**TRAILS ARE FOR
EQUESTRIAN USE ONLY**

WHY BECOME A MEMBER?

The **Yankee Springs Trail Riders Association** is dedicated to preserving, protecting, improving, and expanding existing horse campgrounds and trails in the Yankee Springs Recreation area.

Your memberships are a big part of why we can continue our efforts. Without funding from our members and supporters, we cannot properly maintain and expand what you've already come to know and love.

Due to your support over the last couple of years, we have been able to make amazing improvements

- A new trail on the perimeter of camp (Billy the kid trail)
- Several upgrades to our obstacle course
- New corrals on many campsites
- And our current work in progress - an entire new day use area...with running water!

Without your memberships, these expansions and upgrades cannot be afforded so easily... or at all. While YSTRA strives to host events for the community that are family friendly and fun, we believe that the overall function and maintenance of our facilities have needed to take precedence as of recent. We hope you are loving what you see at Yankee!

Again, we hope you consider becoming or renewing your membership with YSTRA. Your support is why you have seen these improvements. Let's keep that momentum going for the 2023 season!

Please go to **YSTRA.ORG** for a list of our events, updated news and more!

Join • Donate • Volunteer

Start your New Year off right by joining a horse association or trail riding group today. New members are always welcome! Memberships help with horse shows and events, trail maintenance and improvements, and many other ways.

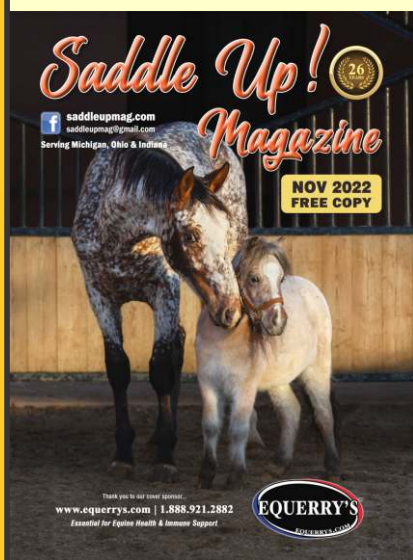

Monetary donations are also a great way to support your favorite horse associations or trail riding groups. Every little bit helps, no matter the size of the donation.

Volunteering has rewards for everyone! You can help a group in need, enjoy making new friends, and best of all ... you'll be spending your spare time with horses and horse people!!

*Happy
New Year!*
