## **Public Service Announcement**

For Immediate Release: March 22, 2019

### **ONNSFA Working to Restore Website**

ONNSFA staff is currently working on restoring access to [www.onnsfa.org](http://www.onnsfa.org). Arrangements are being made to have the site launched within 24 hours. Students seeking information about their application may access the student portal at <https://onn.empower-xl.com/fusebox.cfm>

On Aug. 1, the Navajo Nation Dept. of Information Technology disabled access to several Navajo Nation websites including ONNSFAs when a report was filed with the U.S. Department of Homeland Security indicating that a group in the country of Brazil targeted as many as 50 governmental entities in the United States.

Staff at agency offices also are available to answer student inquiries regarding their application status:
